The 22nd July sees the re-release of the fabulous Walt Disney classic, **Snow White and the Seven Dwarfs.** First released in December 1937, Snow White was the first full-length animated film to be produced. It has now been digitally reworked, remastered and retouched (which, to you and me, means there won't be any crackles in the sound or picture!). To celebrate, we've got some great prizes for you to win:

20 Snow White t-shirts

PLUS

20 Snow White soundtracks

To win one of each of the above just send in your answer to this simple question:

What are the names of all the Seven Dwarfs?

Send your answers in on a postcard or the back of a stuck-down envelope to: Snow White goodies, Mickey's Mail, P.O. Box 61, London, WC1H 9SG.

The closing date for entries is 10th September 1994. The first 20 correct entries out of the bag on the closing date will each receive a t-shirt and soundtrack.

The Editor's decision is final and no correspondance shall be entered into.

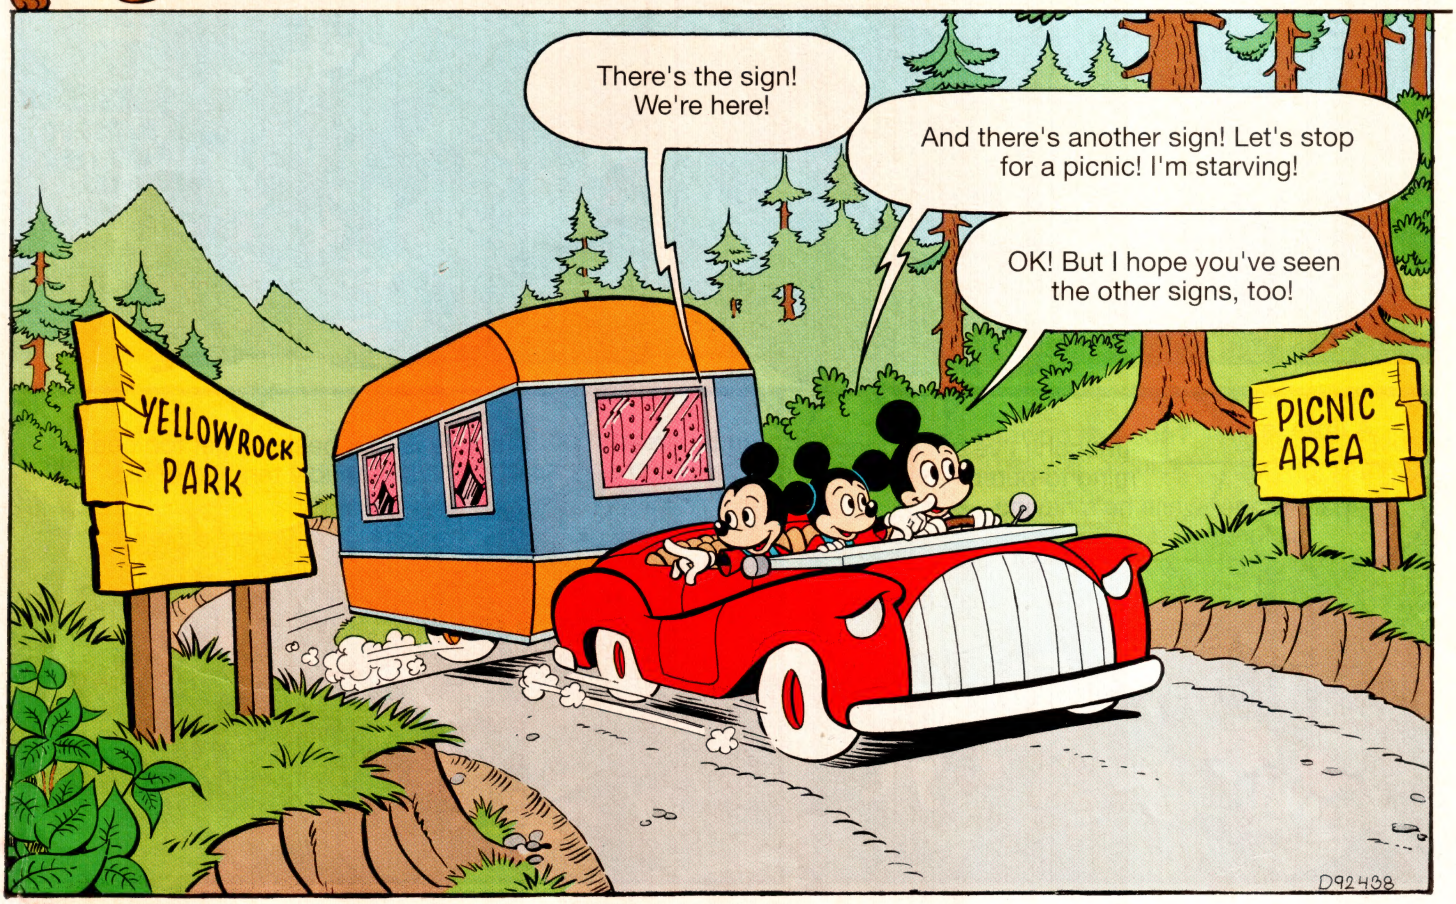
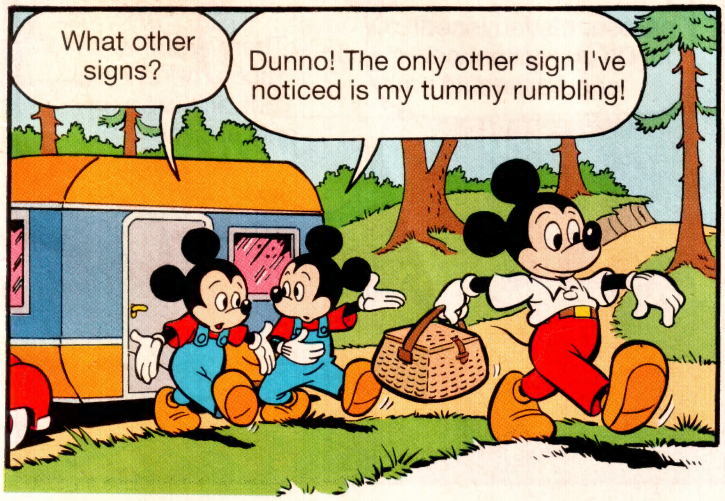
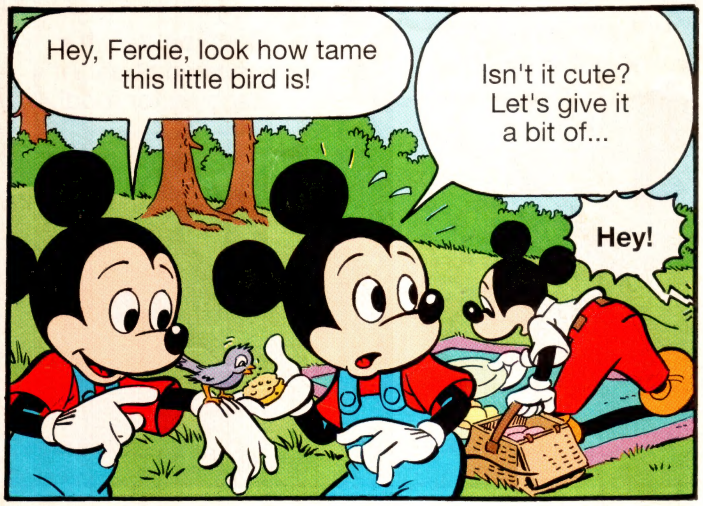
MICKEY MOUSE

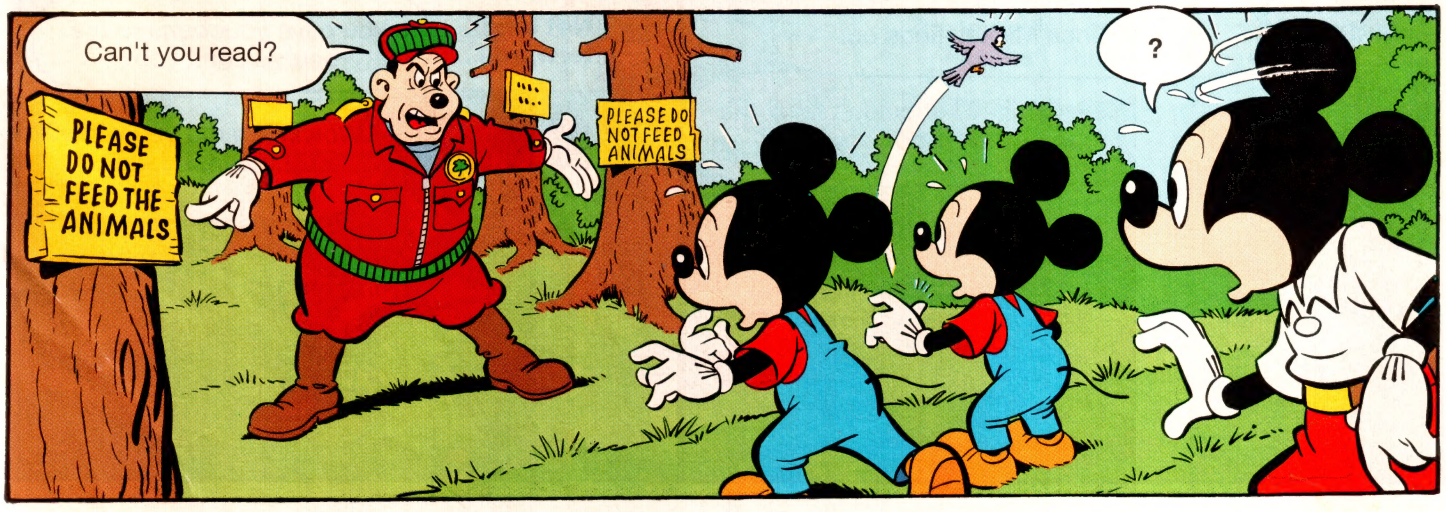
The Lock Picker

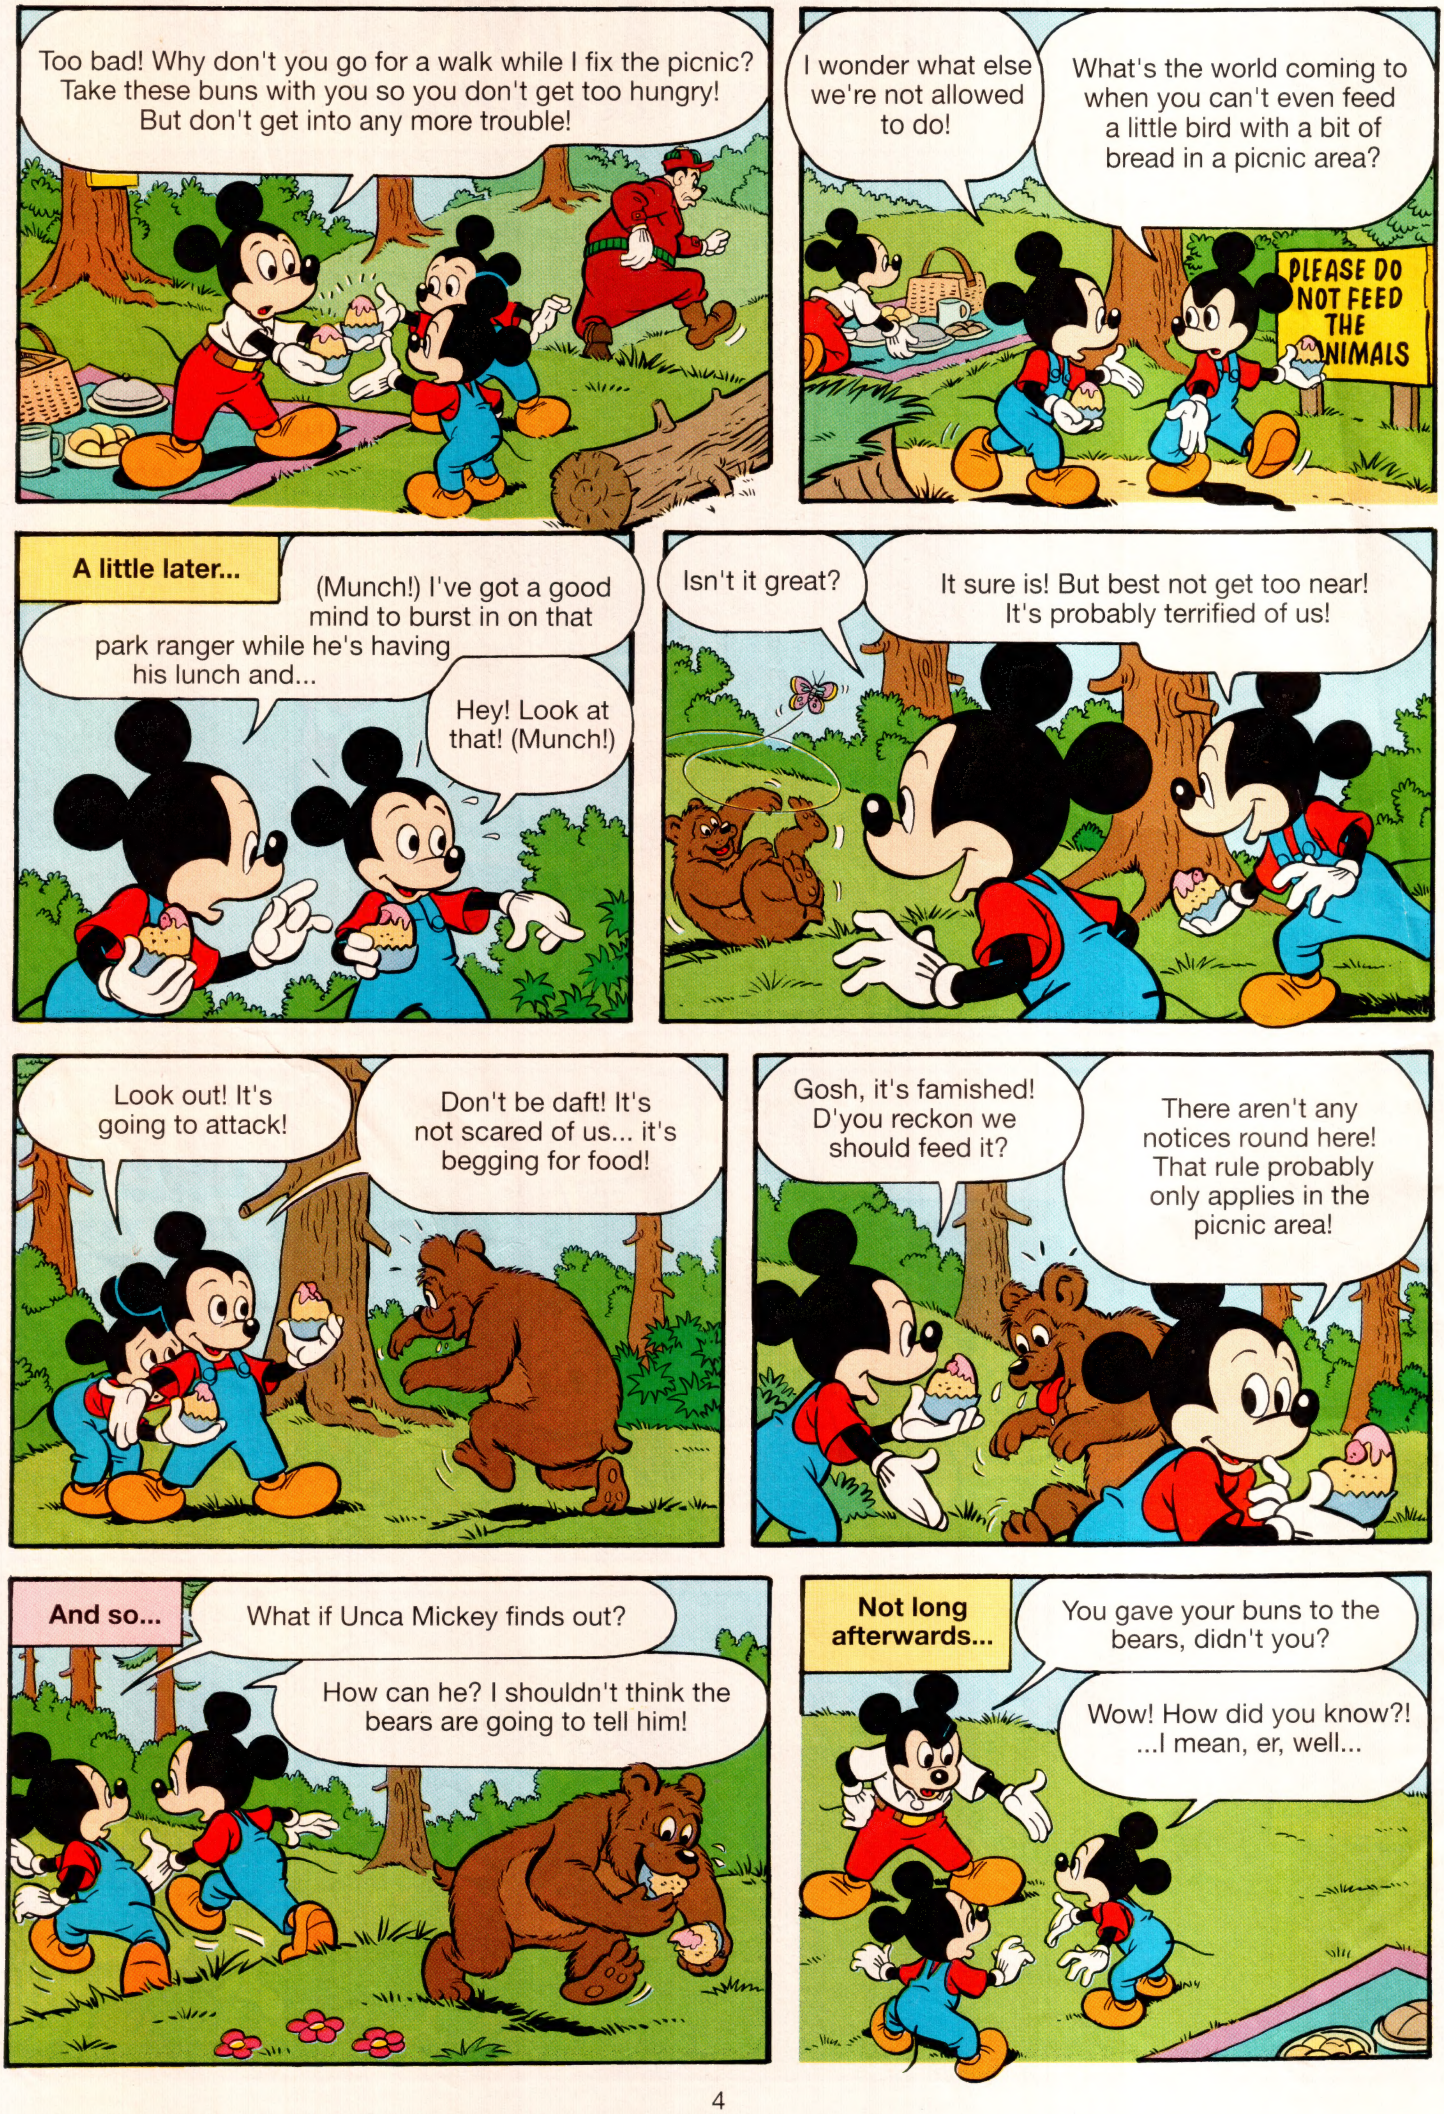


There's the sign! We're here!
And there's another sign! Let's stop for a picnic! I'm starving!
OK! But I hope you've seen the other signs, too!
YELLOWROCK PARK
PICNIC AREA
D92408

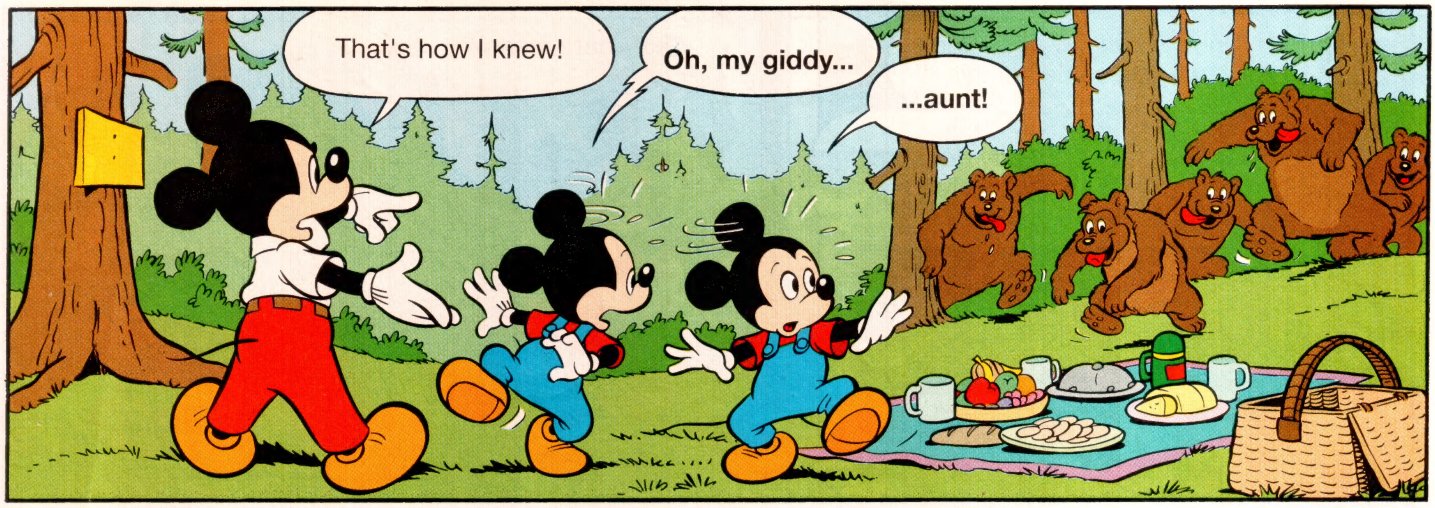








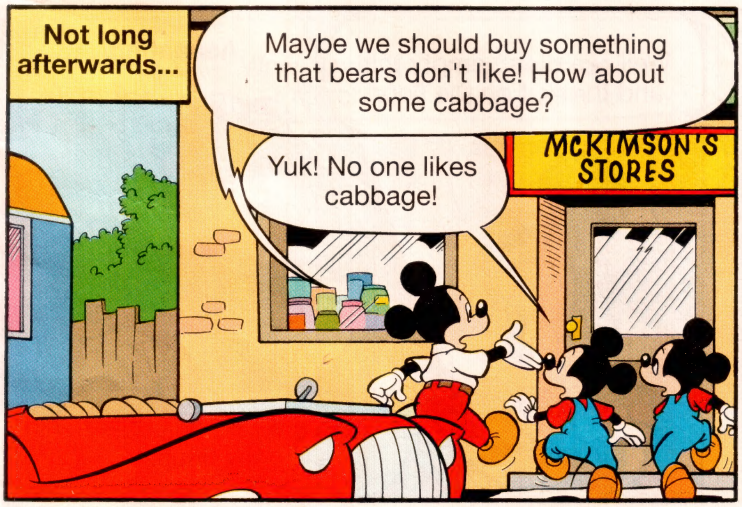
Too bad! Why don't you go for a walk while I fix the picnic? Take these buns with you so you don't get too hungry! But don't get into any more trouble!
I wonder what else we're not allowed to do!
What's the world coming to when you can't even feed a little bird with a bit of bread in a picnic area?
PLEASE DO NOT FEED THE ANIMALS
A little later...
(Munch!) I've got a good mind to burst in on that park ranger while he's having his lunch and...
Hey! Look at that! (Munch!)
Isn't it great?
It sure is! But best not get too near! It's probably terrified of us!
Look out! It's going to attack!
Don't be daft! It's not scared of us... it's begging for food!
Gosh, it's famished! D'you reckon we should feed it?
There aren't any notices round here! That rule probably only applies in the picnic area!
And so...
What if Unca Mickey finds out?
How can he? I shouldn't think the bears are going to tell him!
Not long afterwards...
You gave your buns to the bears, didn't you?
Wow! How did you know?! ...I mean, er, well...



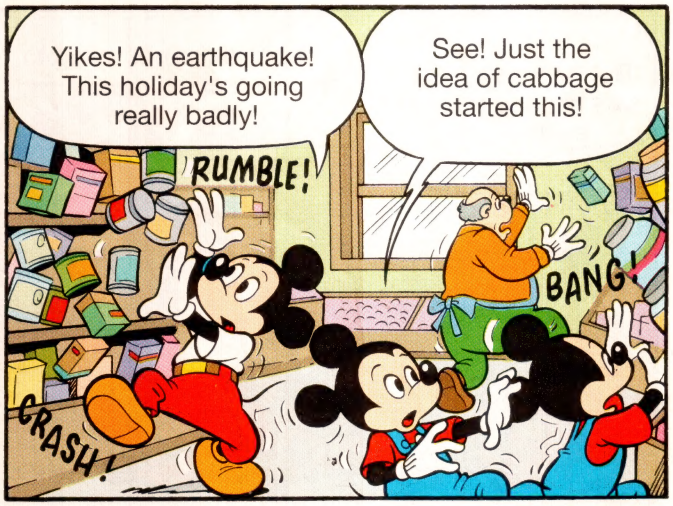
That's how I knew!
Oh, my giddy...
...aunt!

We only gave him our buns!
After they've finished here we're not going to have anything to eat! We'd better drive to the next village and pick up some more supplies!
SLOBBER
SLURP!

Leaving so soon? That was a quick picnic!
Well, that's kids for you! Hungry as bears!

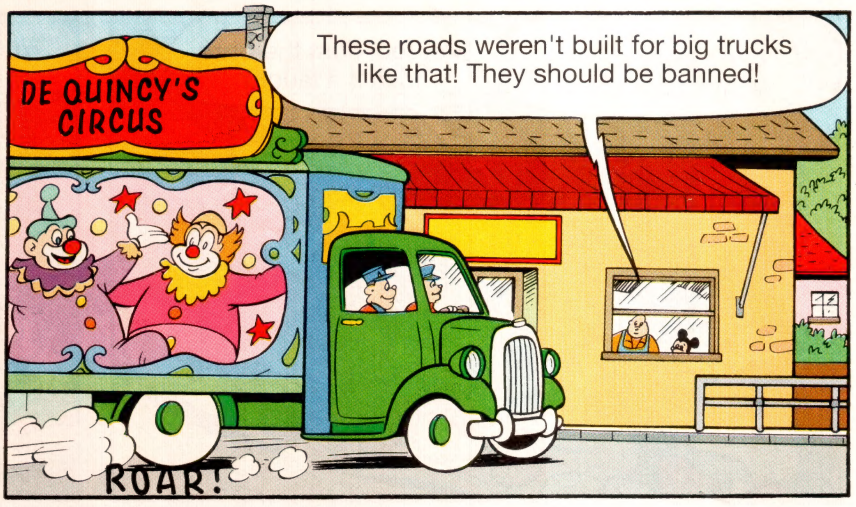


Not long afterwards...
Maybe we should buy something that bears don't like! How about some cabbage?
Yuk! No one likes cabbage!
McKIMSON'S STORES

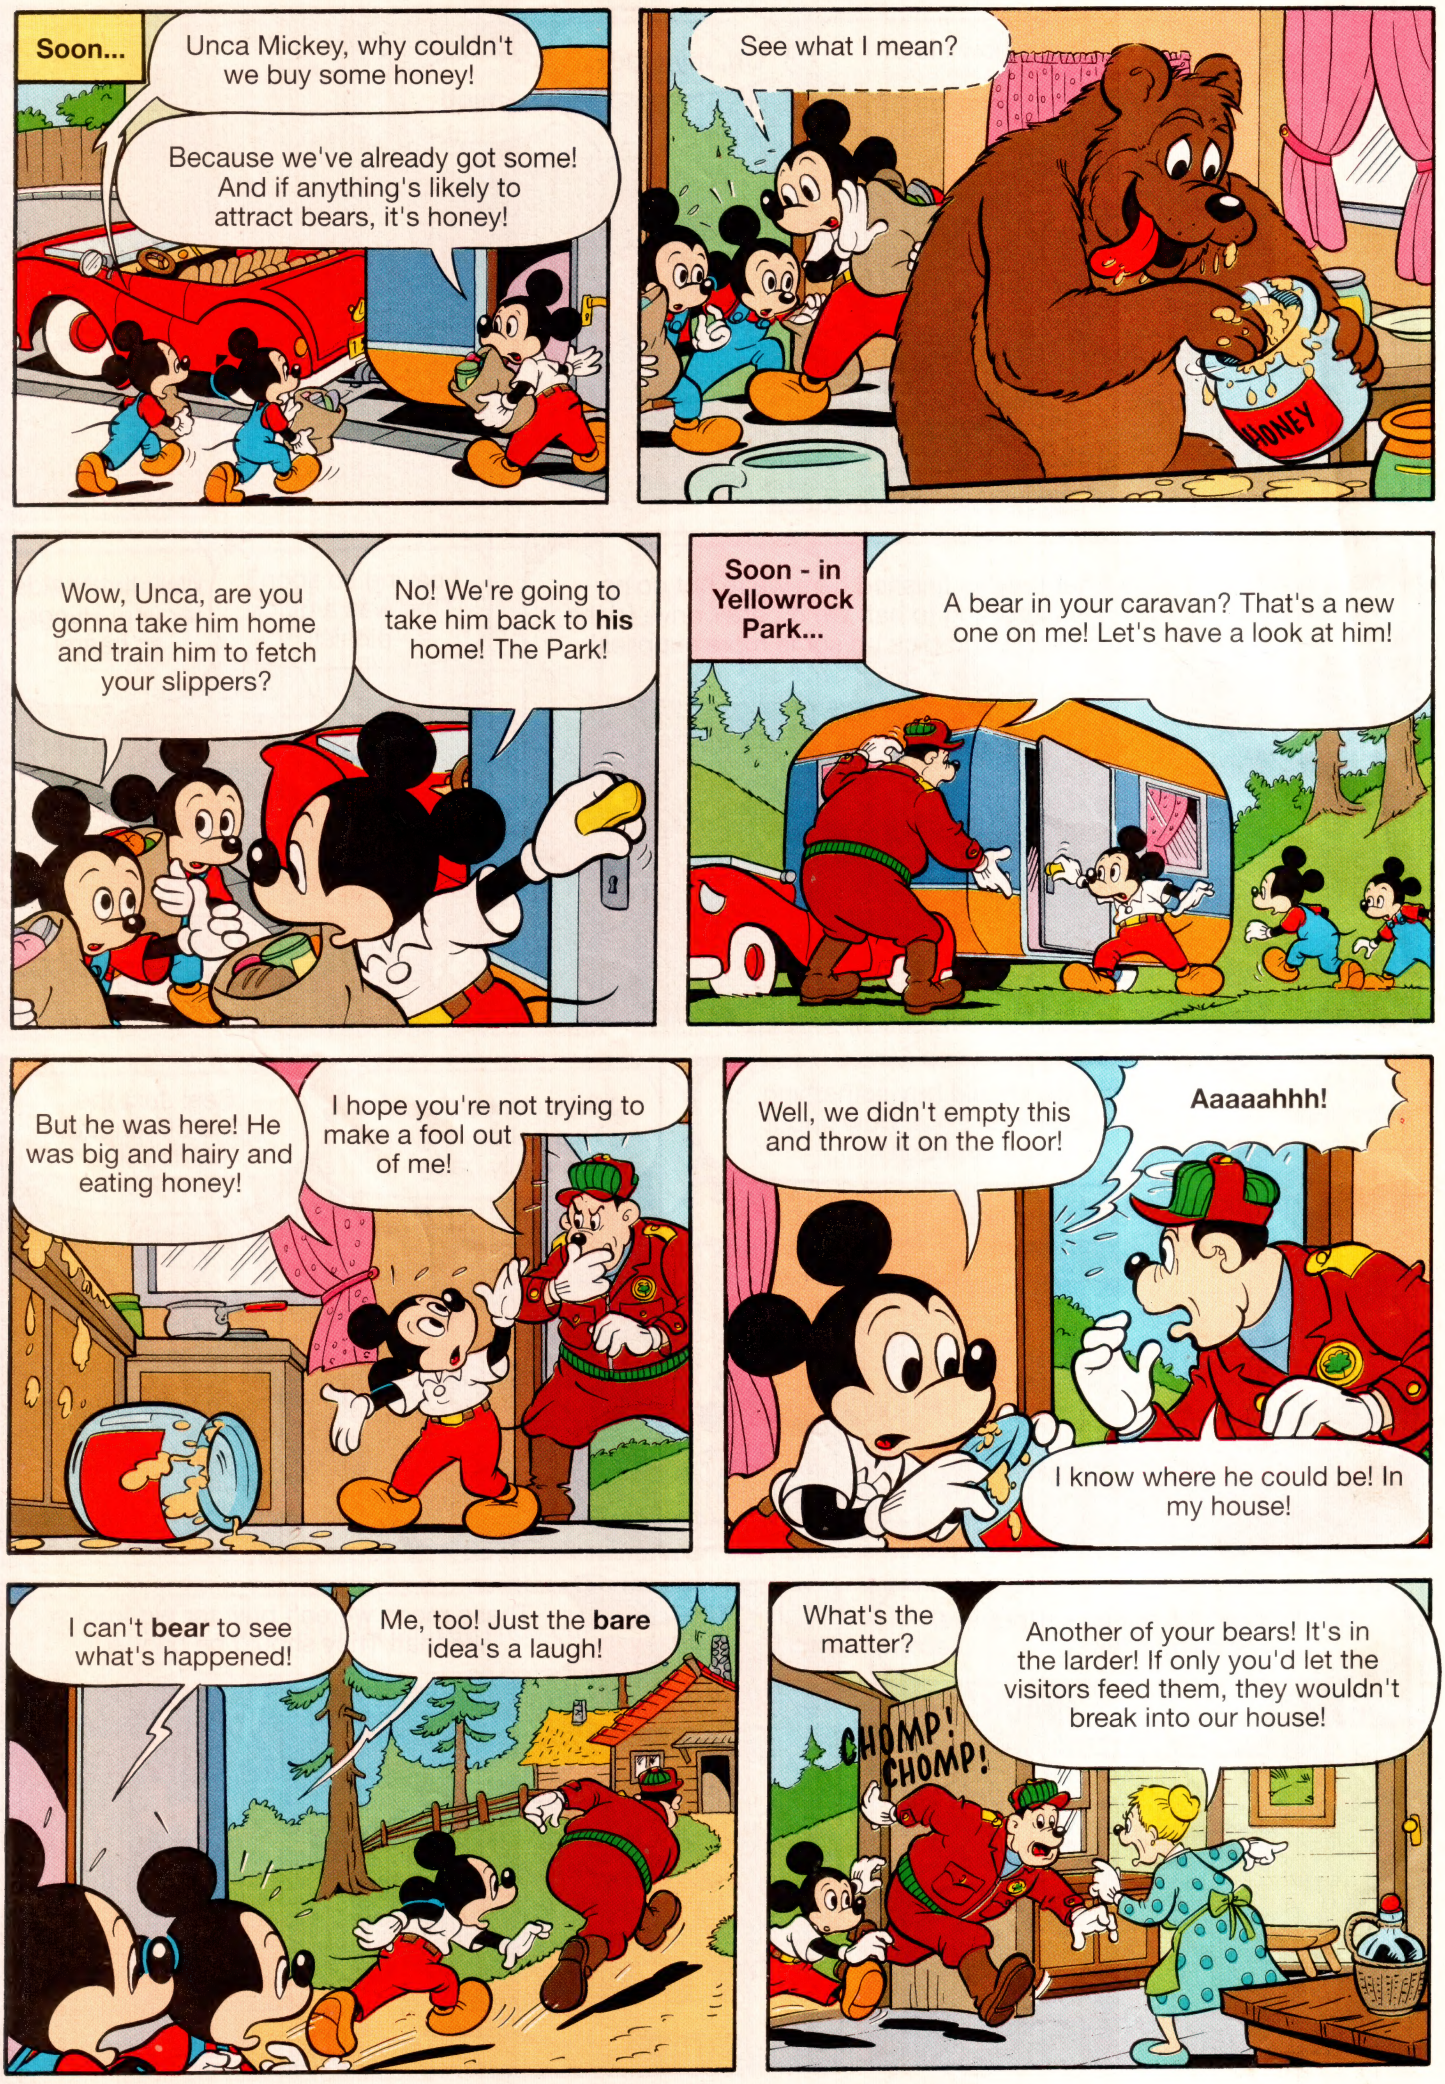


Yikes! An earthquake! This holiday's going really badly!
See! Just the idea of cabbage started this!
RUMBLE!
BANG!
CRASH!

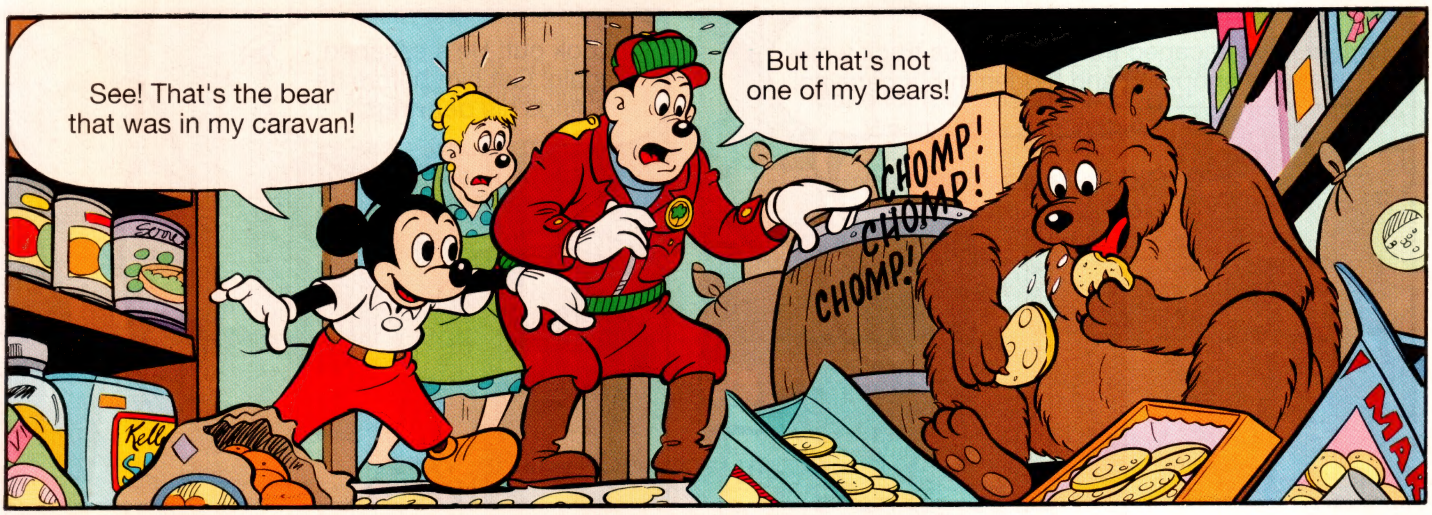
Don't worry! It's not an earthquake! It's just a circus!
RUMBLE!
CRACK!
?
THUMP!



These roads weren't built for big trucks like that! They should be banned!
DE QUINCY'S CIRCUS
ROAR!

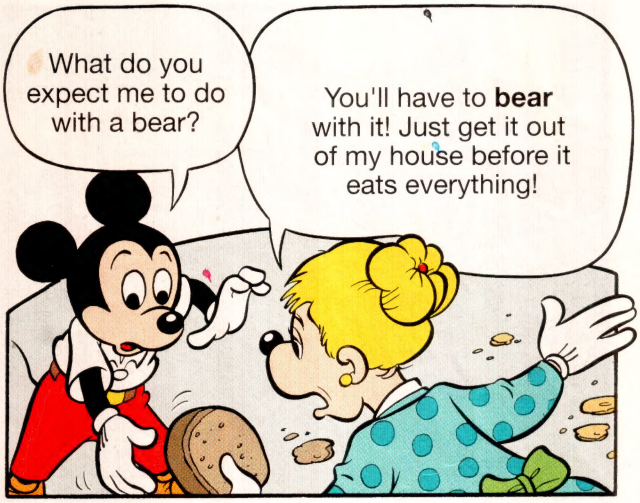


Soon...
Unca Mickey, why couldn't we buy some honey!
Because we've already got some! And if anything's likely to attract bears, it's honey!
See what I mean?
HONEY
Wow, Unca, are you gonna take him home and train him to fetch your slippers?
No! We're going to take him back to his home! The Park!
Soon - in Yellowrock Park...
A bear in your caravan? That's a new one on me! Let's have a look at him!
But he was here! He was big and hairy and eating honey!
I hope you're not trying to make a fool out of me!
Well, we didn't empty this and throw it on the floor!
Aaaaahhh!
I know where he could be! In my house!
I can't bear to see what's happened!
Me, too! Just the bare idea's a laugh!
What's the matter?
CHOMP! CHOMP!
Another of your bears! It's in the larder! If only you'd let the visitors feed them, they wouldn't break into our house!

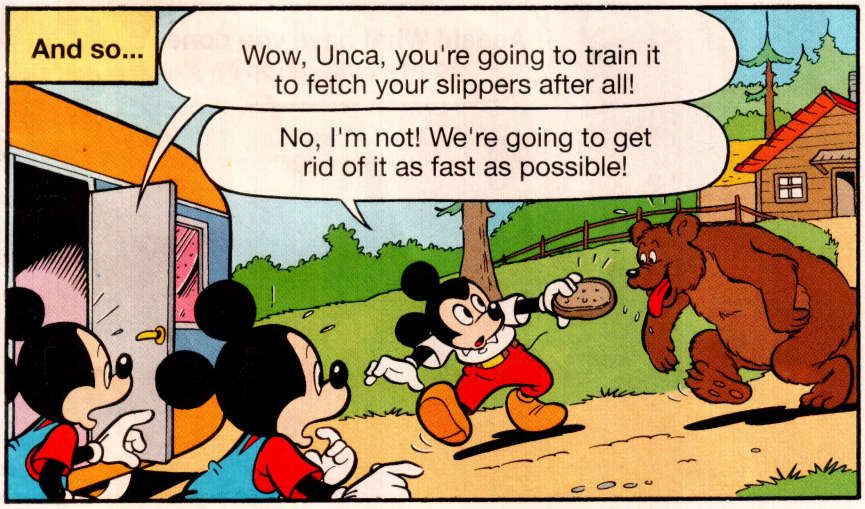


See! That's the bear that was in my caravan!
But that's not one of my bears!
CHOMP!
CHOMP!
CHOMP!

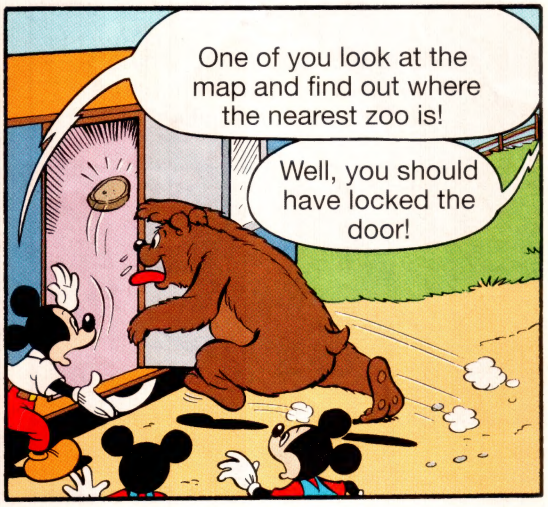
Well, whose bear is it then?
Well, seeing as you found it, it must be yours! And I'd be much obliged if you could get it out of my park!
CHOMP!
CHOMP!



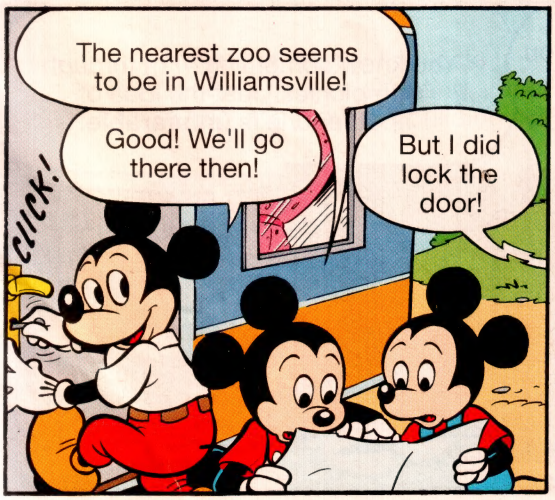
What do you expect me to do with a bear?
You'll have to **bear** with it! Just get it out of my house before it eats everything!



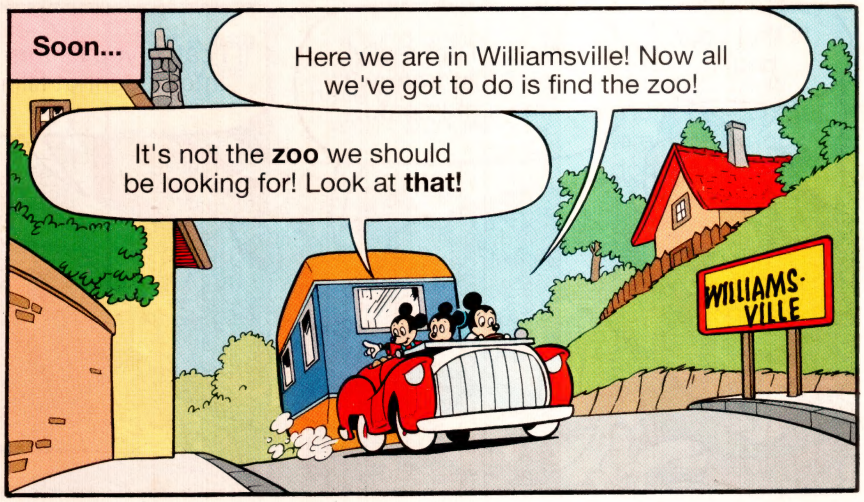
And so...
Wow, Unca, you're going to train it to fetch your slippers after all!
No, I'm not! We're going to get rid of it as fast as possible!



One of you look at the map and find out where the nearest zoo is!
Well, you should have locked the door!

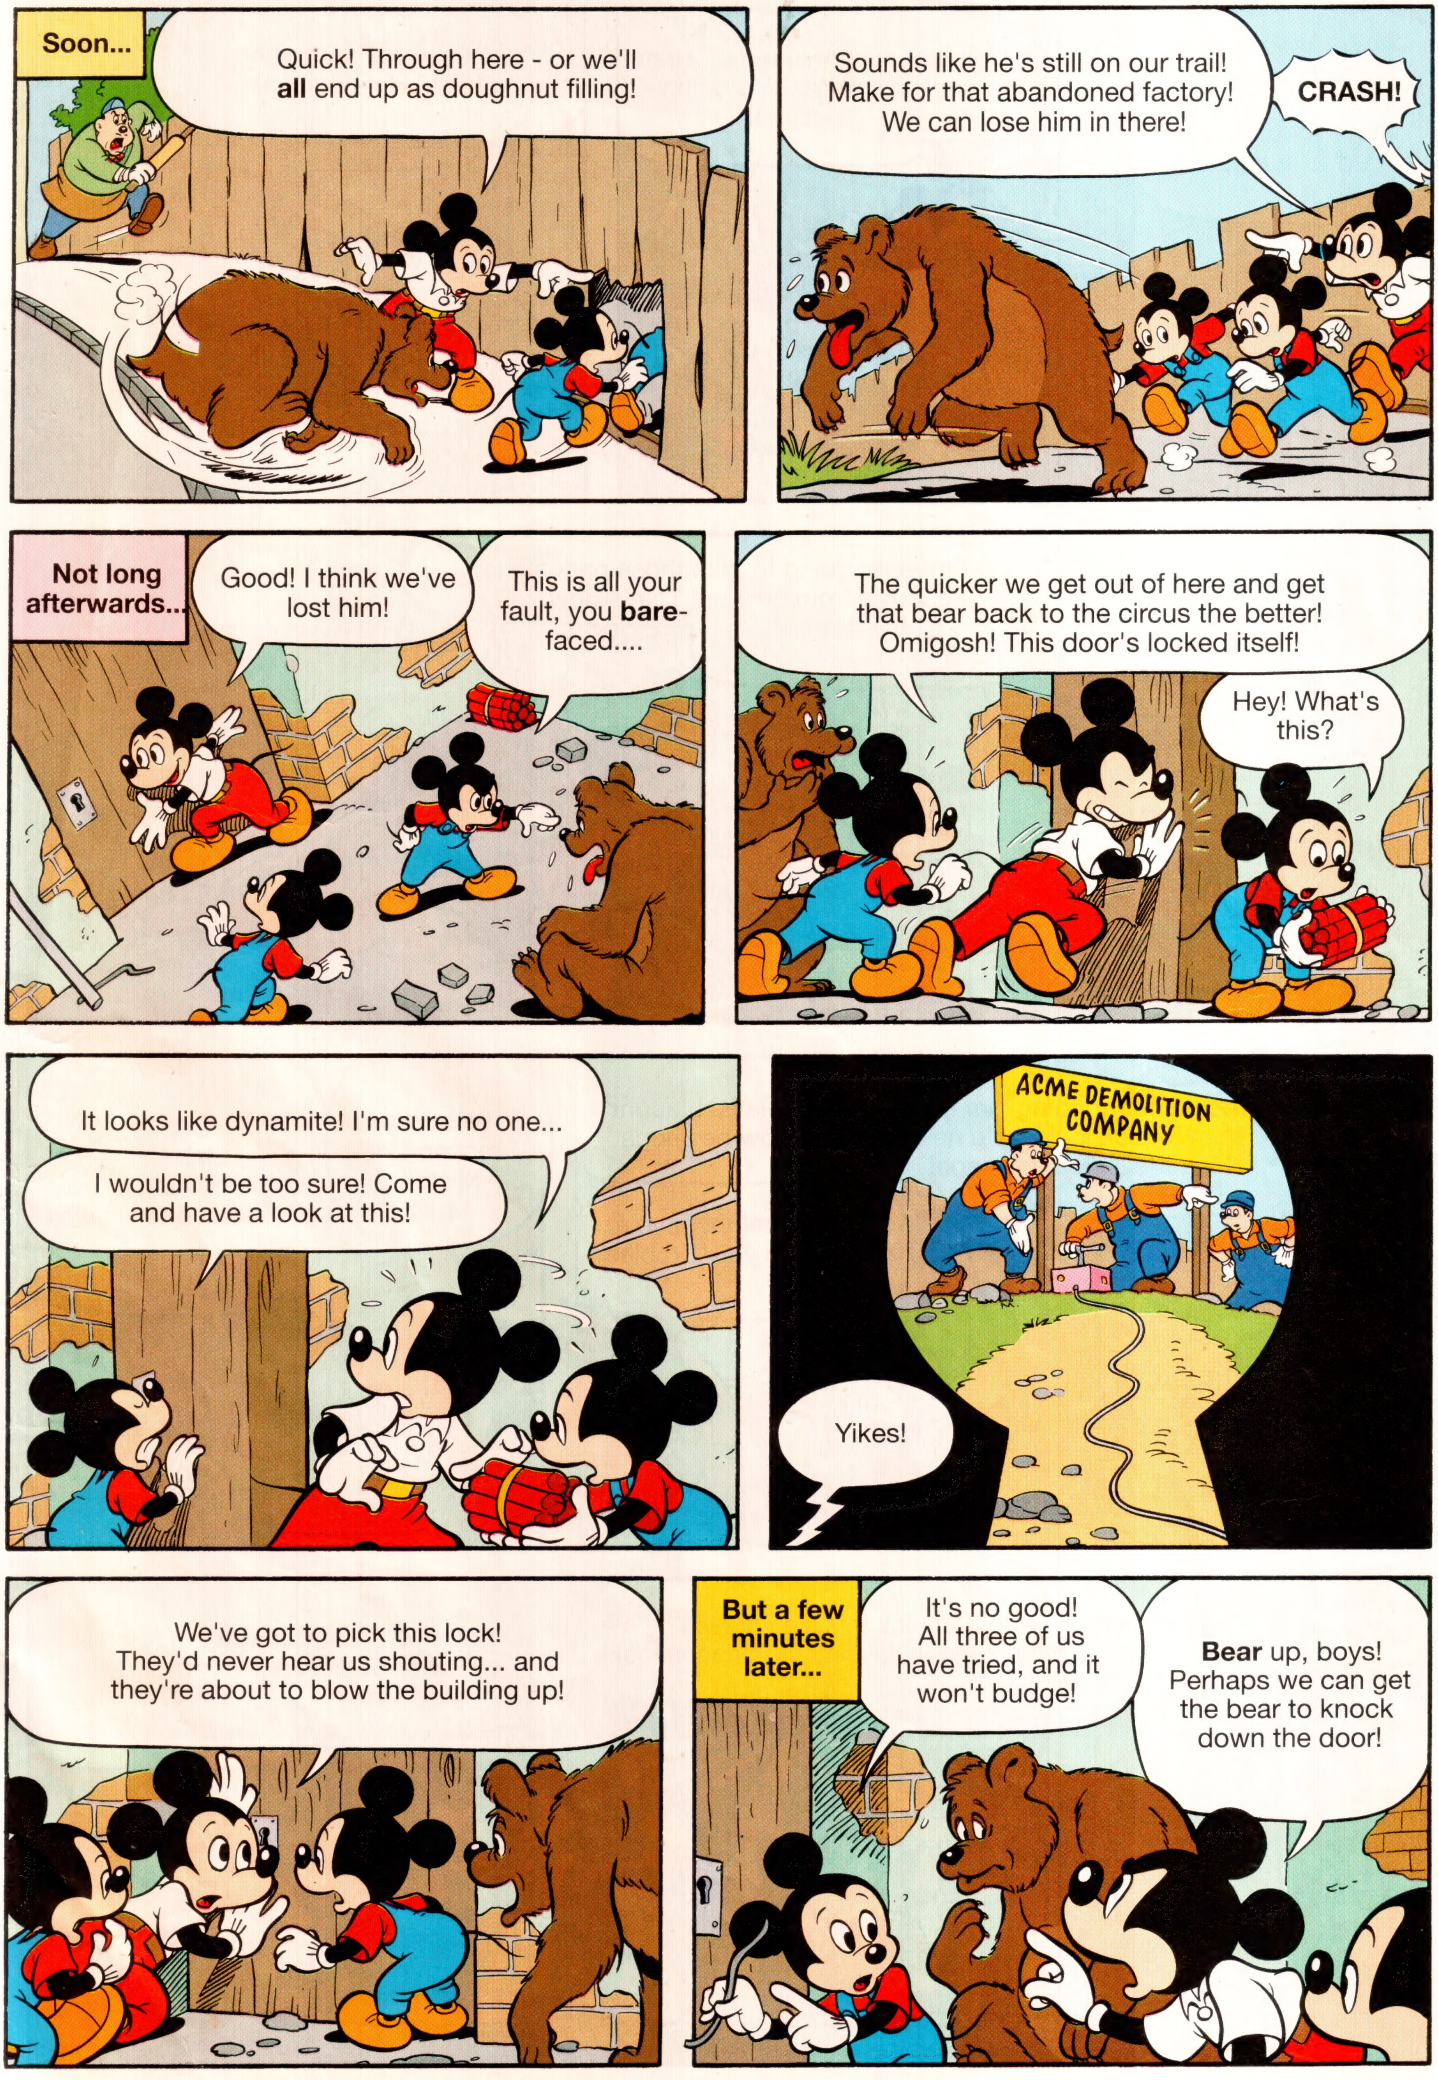


The nearest zoo seems to be in Williamsville!
Good! We'll go there then!
But I did lock the door!
CLICK!



Soon...
Here we are in Williamsville! Now all we've got to do is find the zoo!
It's not the **zoo** we should be looking for! Look at **that!**
WILLIAMS-VILLE

It must have escaped from that circus truck while we were shopping and hidden in our caravan!
OK! So let's get him back to the circus!
DE QUINCY'S CIRCUS
SCREECH!
Look out! He's escaped again! Get him before he finds his **bearings**!
If we can't overpower him, wait until he's eaten so many cakes he can't move and then **roll** him back to the circus!
ALPHONSE'S HIGH CLASS BAKERS
Gosh! He's eating everything! He's not content with just the **bare** necessities!
CHOMP! CHOMP! CHOMP!
Aaaah! What have you done to my cake shop?
Is that your bear?
Well, no not really! If you'll just **bear** with me a moment...
If I catch you I'll turn you into doughnut filling!
You know something? I'm through with picnics! Just the idea of another one is **unbearable**!



Soon...
Quick! Through here - or we'll **all** end up as doughnut filling!
Sounds like he's still on our trail! Make for that abandoned factory! We can lose him in there!
CRASH!
Not long afterwards...
Good! I think we've lost him!
This is all your fault, you **bare**-faced....
The quicker we get out of here and get that bear back to the circus the better! Omigosh! This door's locked itself!
Hey! What's this?
It looks like dynamite! I'm sure no one...
I wouldn't be too sure! Come and have a look at this!
ACME DEMOLITION COMPANY
Yikes!
We've got to pick this lock! They'd never hear us shouting... and they're about to blow the building up!
But a few minutes later...
It's no good! All three of us have tried, and it won't budge!
Bear up, boys! Perhaps we can get the bear to knock down the door!

He must've heard me! But you're going to have to take a run up to it, stupid!
He's **barely** got any brains! He's seen us picking the lock so he's doing the same!
I've never met a dumber... yeeow! He's done it!
CLICK!
Let's get outta here!
We made it, thanks to the bear! But everyone will feel safer when you're back at the circus!
I'm really going to take those park signs seriously from now on! That's how all this started!
KA-BOOOM!
And so, soon...
Thanks for bringing him back! The trouble is, I taught him to pick locks as a new trick and now he keeps picking the lock of his cage!
I think I might have a solution to your problem!
DE QUINCY'S CIRCUS
What d'you reckon Unca Mickey is up to?
Dunno! Unless it's something to do with a **bear**-cycle!
Not long afterwards...
He won't be able to pick this lock unless he's a whizz at maths! It's a bicycle combination lock!
I hope you won't **bear** a grudge for all the trouble he's given you! As a thank- you, could you **bear** to stay for tea?

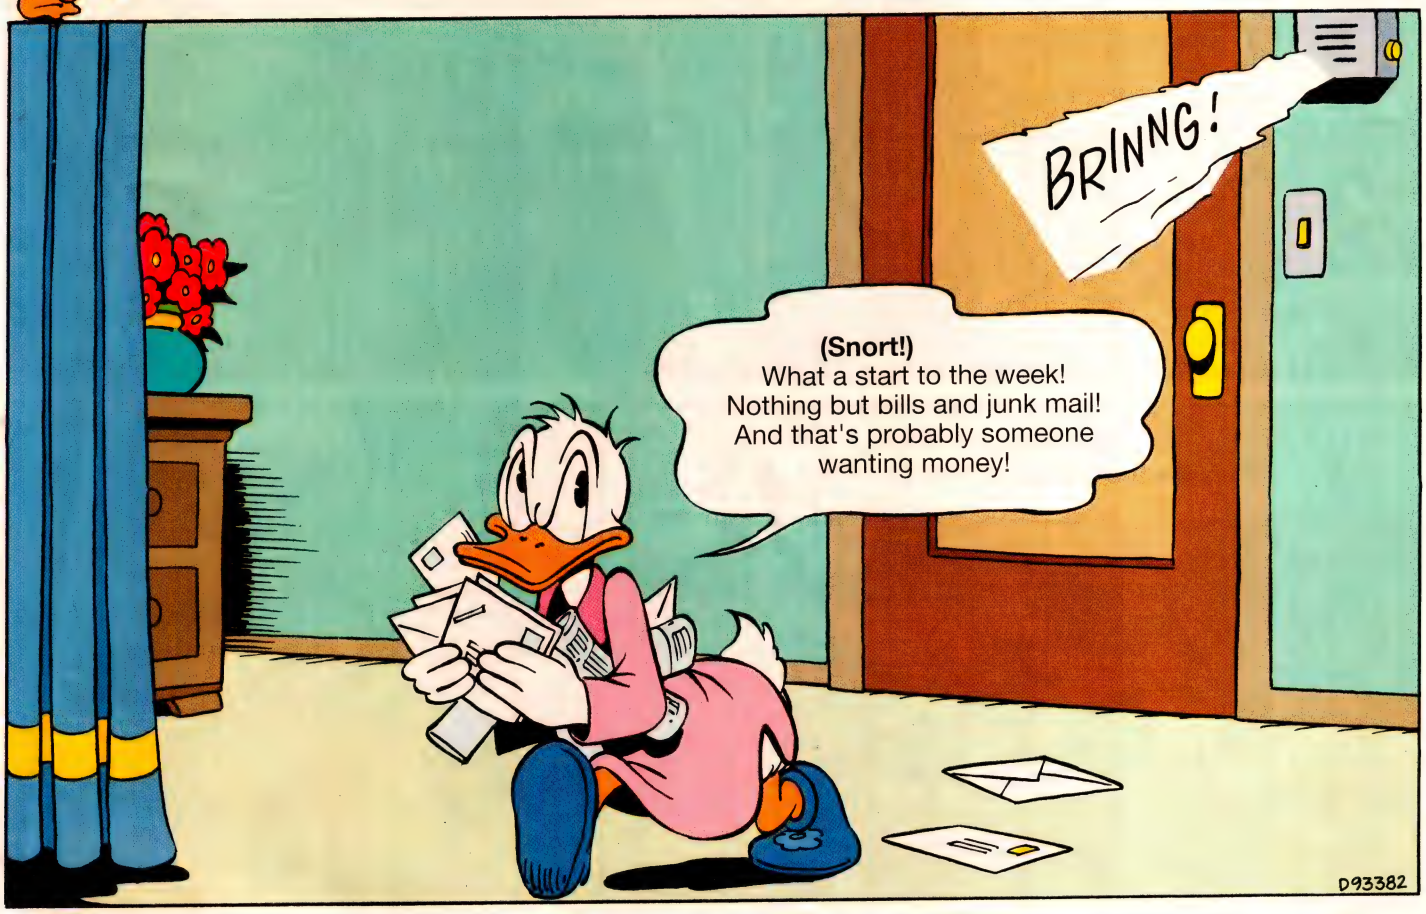
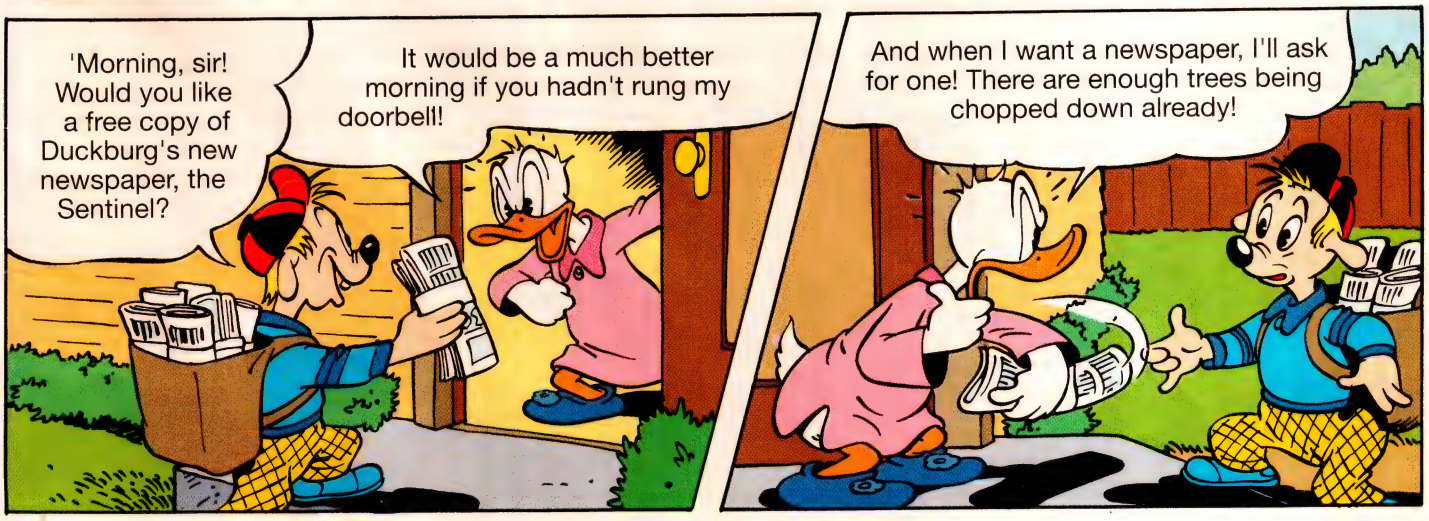
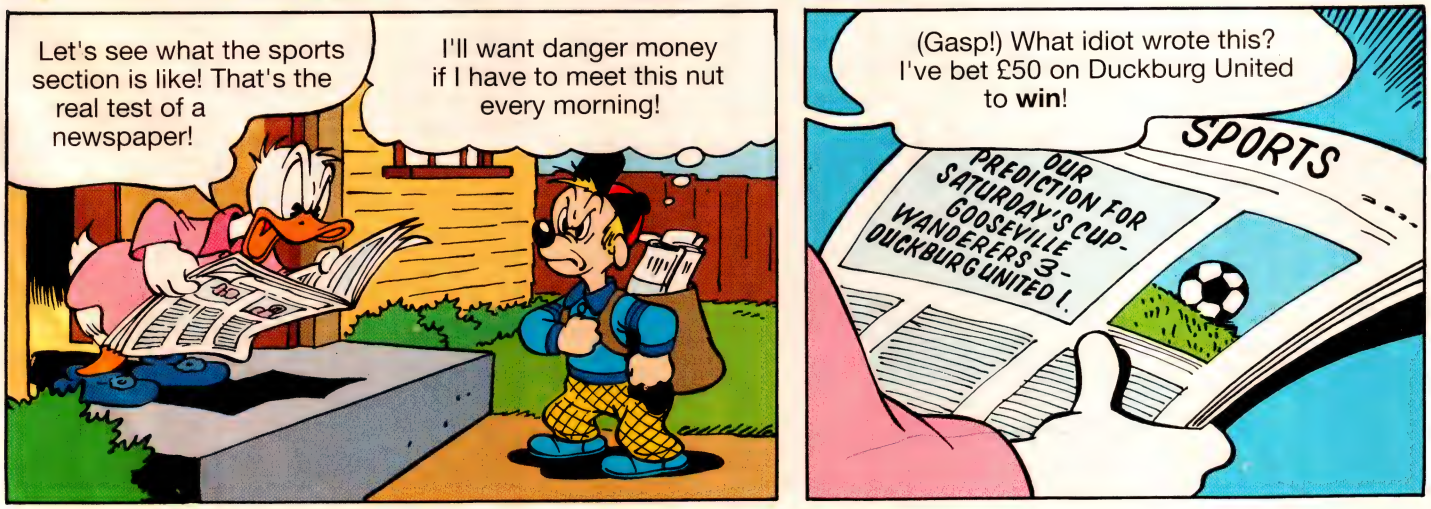
Duck Friday



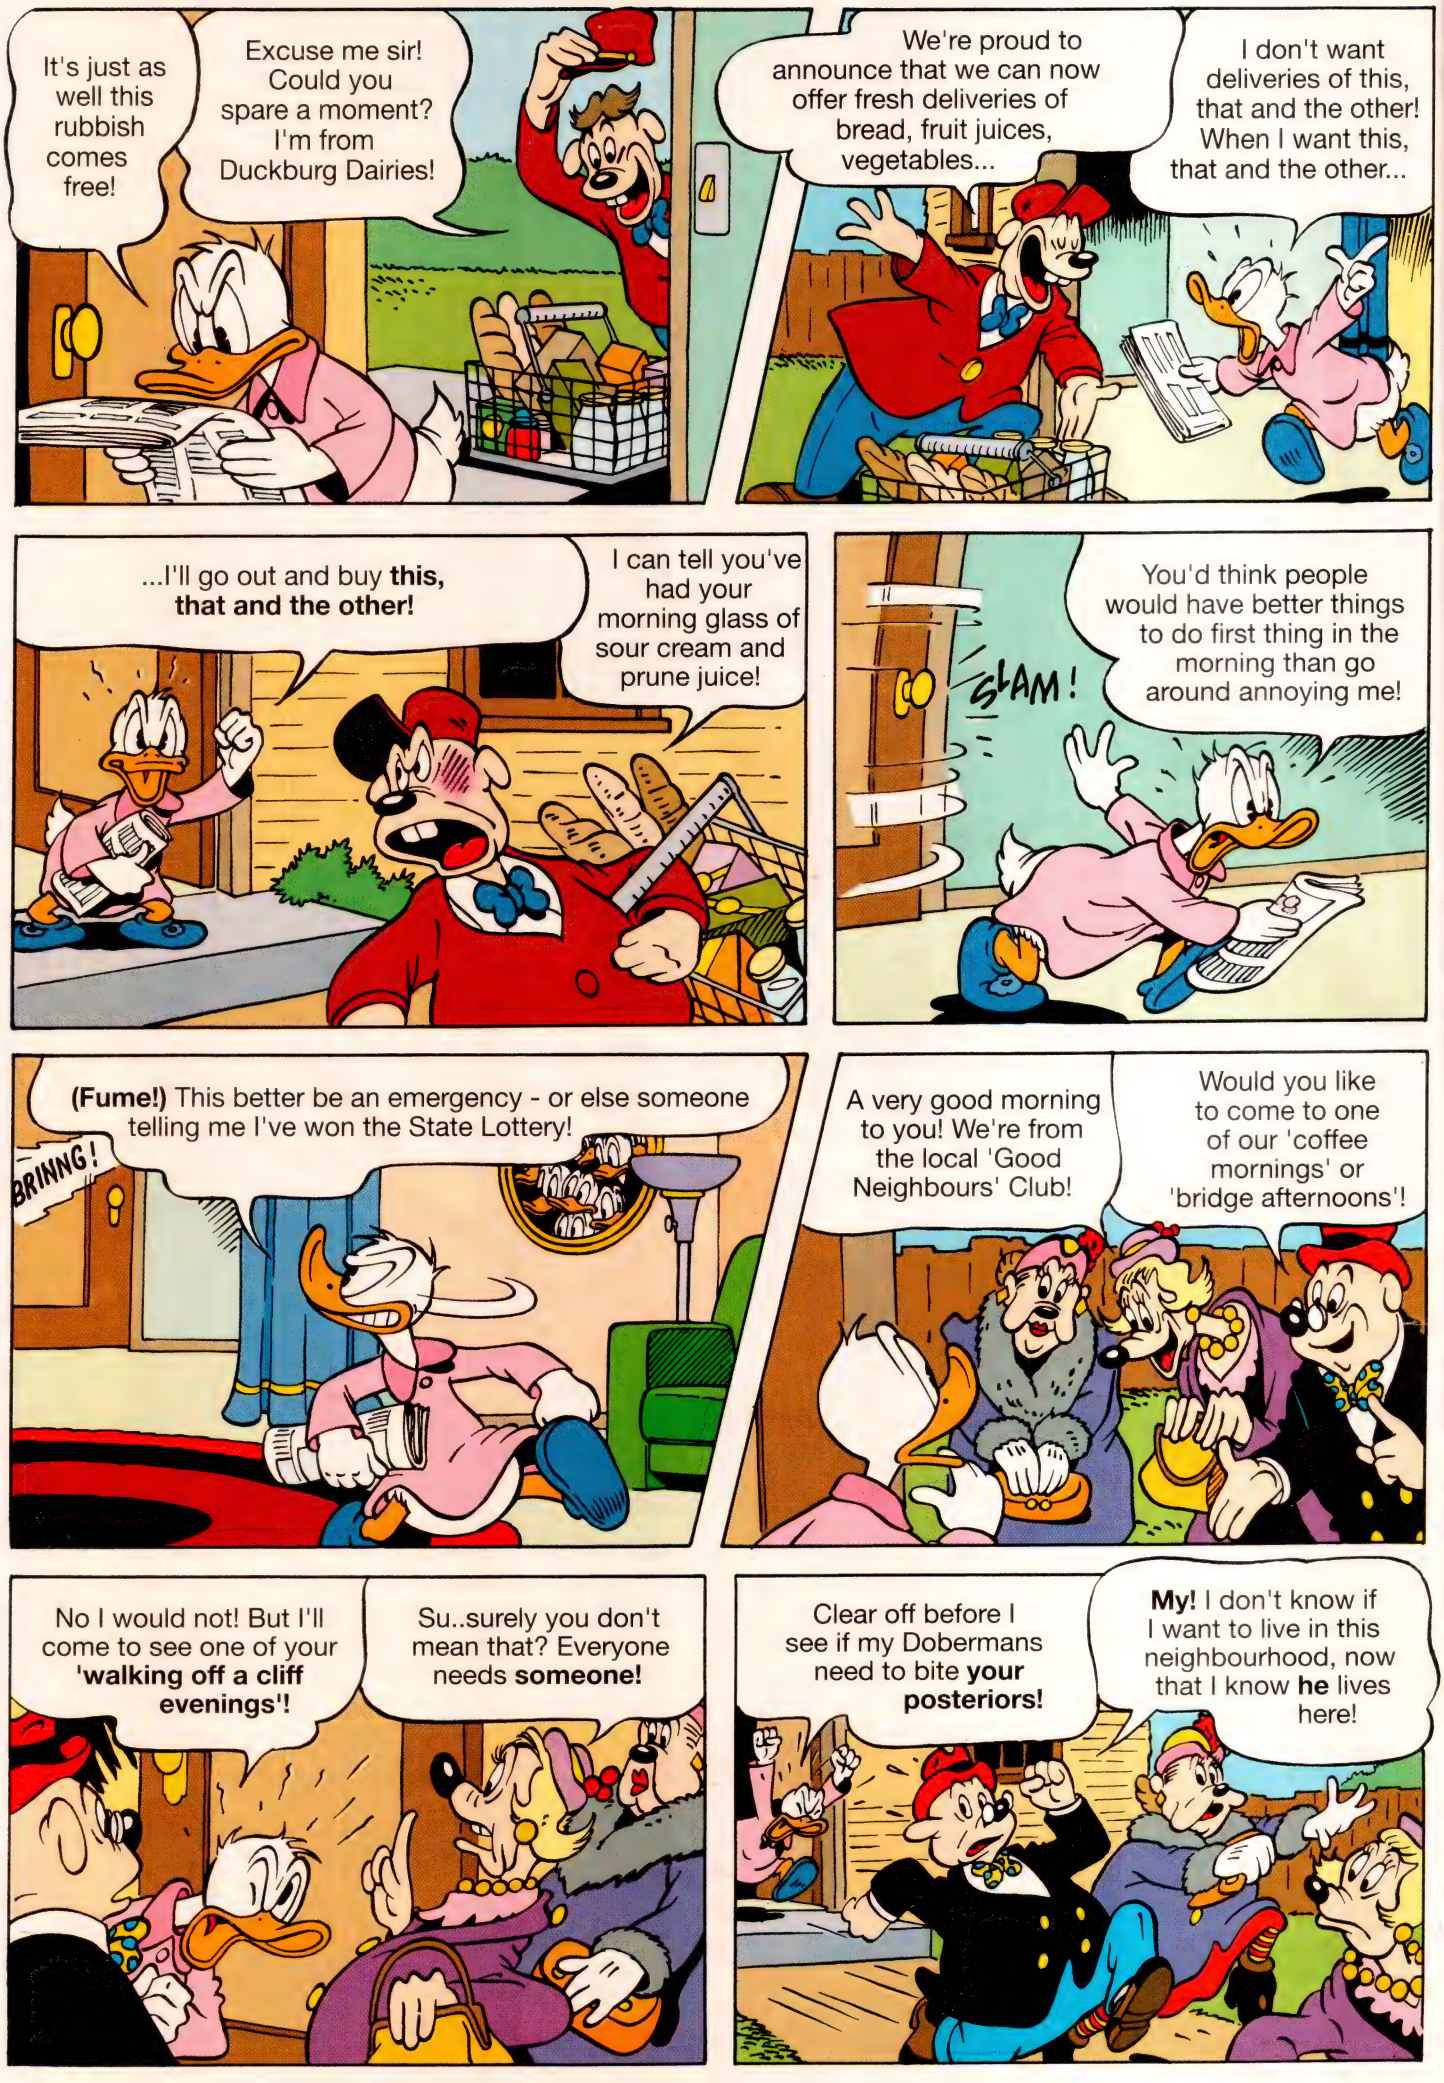
BRINNG!
(Snort!)
What a start to the week!
Nothing but bills and junk mail!
And that's probably someone wanting money!
D93382



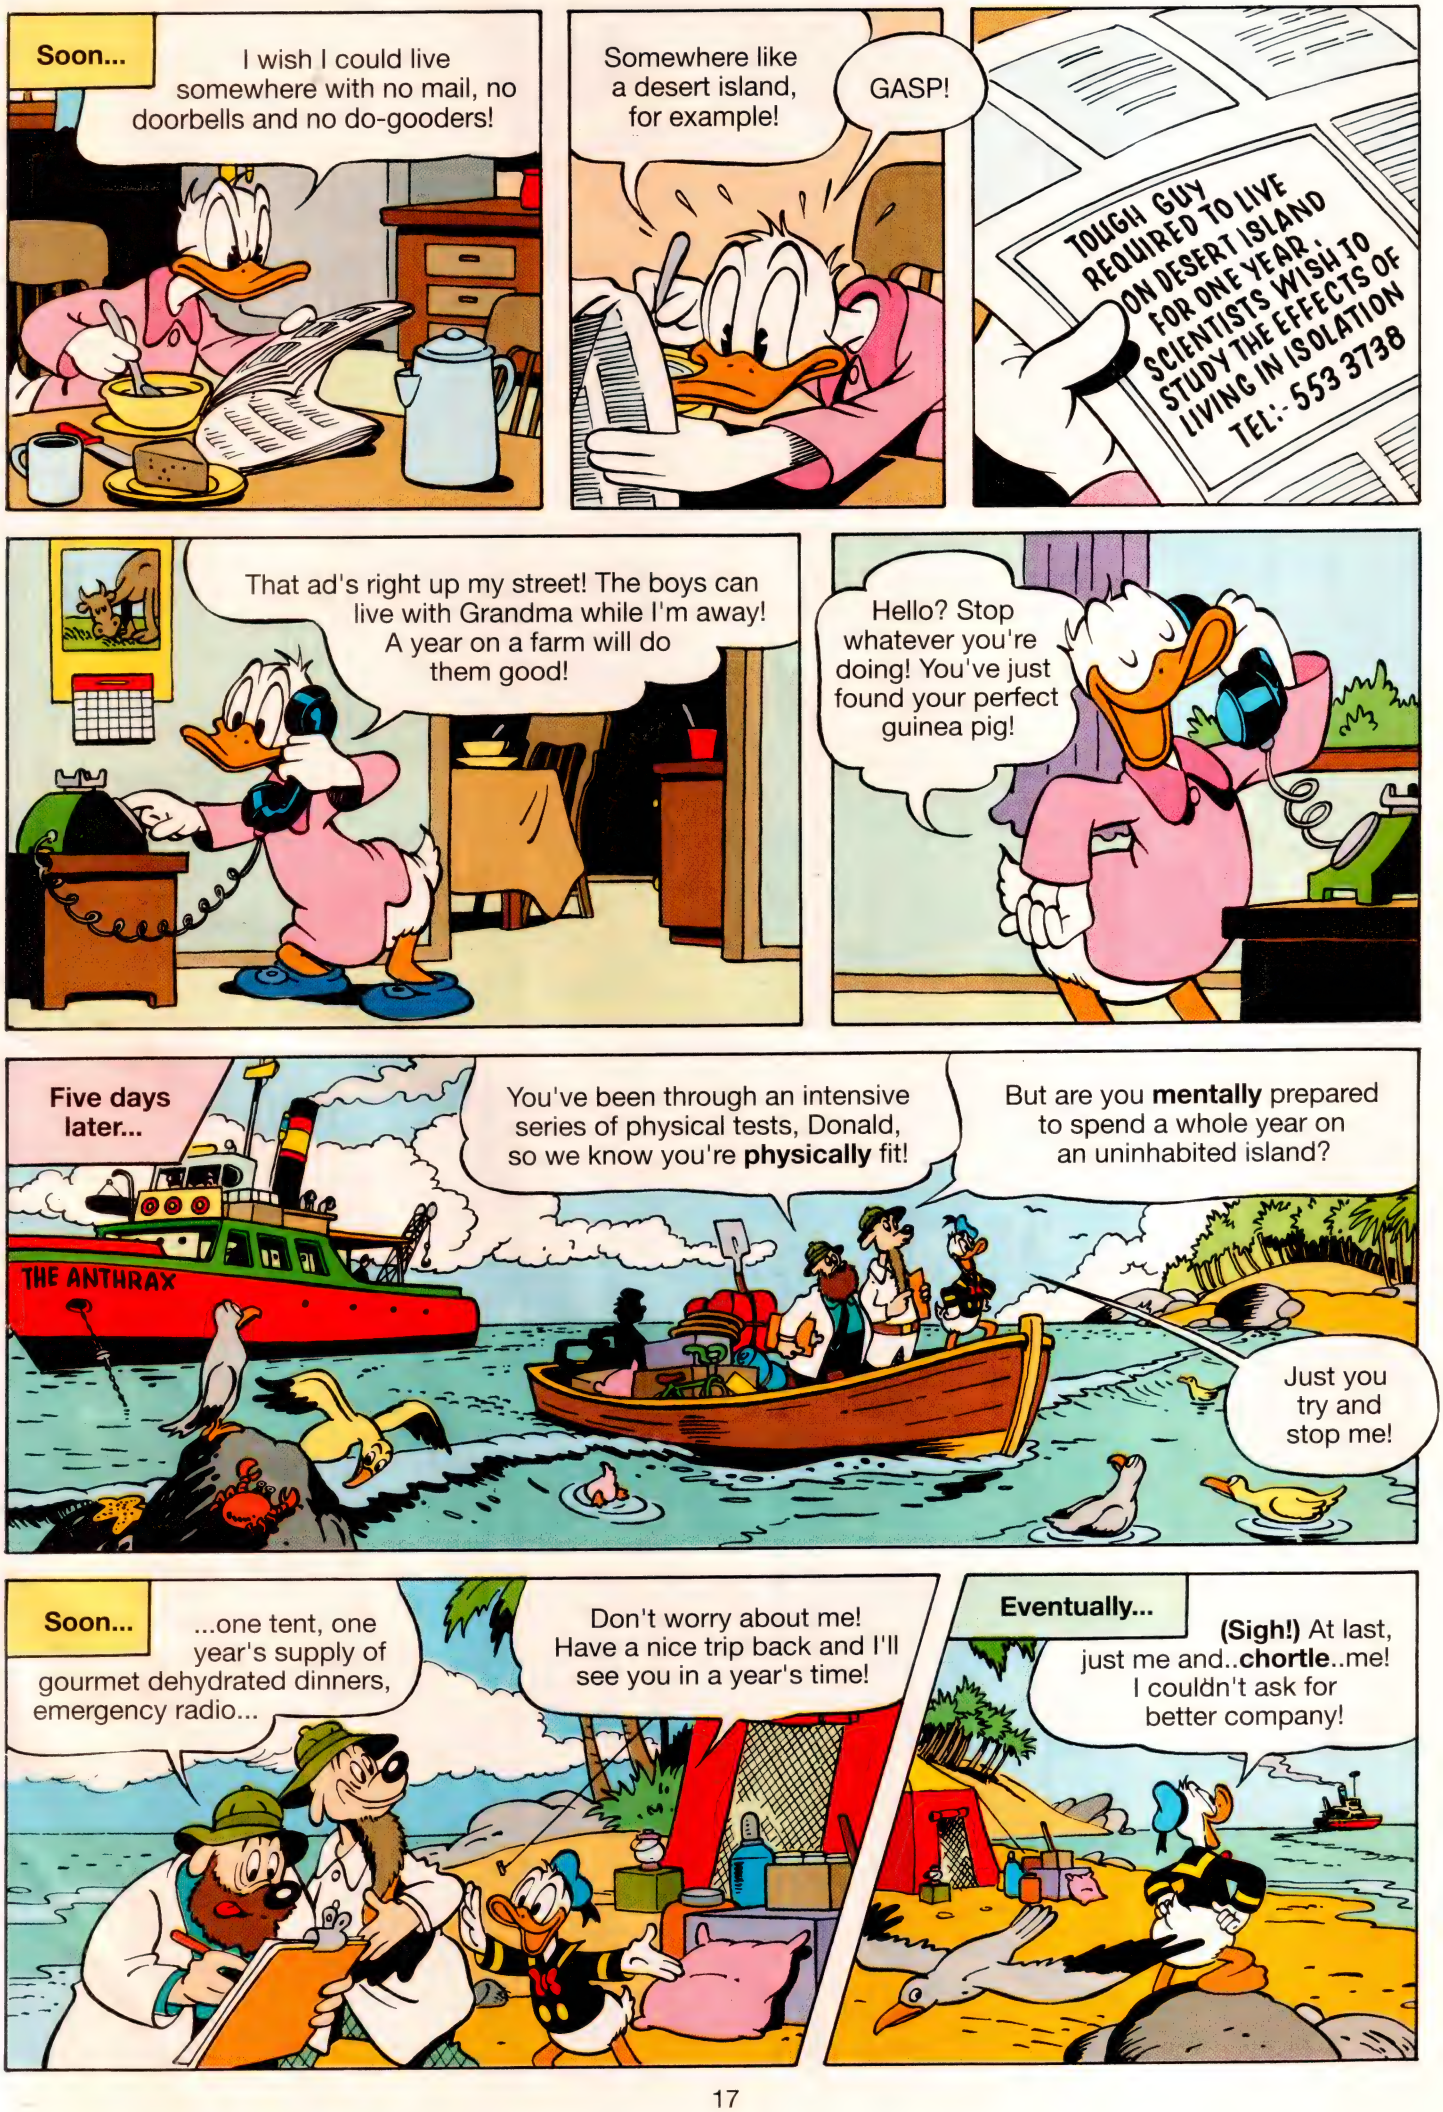
'Morning, sir! Would you like a free copy of Duckburg's new newspaper, the Sentinel?
It would be a much better morning if you hadn't rung my doorbell!
And when I want a newspaper, I'll ask for one! There are enough trees being chopped down already!



Let's see what the sports section is like! That's the real test of a newspaper!
I'll want danger money if I have to meet this nut every morning!
(Gasp!) What idiot wrote this? I've bet £50 on Duckburg United to **win**!
SPORTS
OUR PREDICTION FOR SATURDAY'S CUP- GOOSEVILLE WANDERERS 3- DUCKBURG UNITED 1.

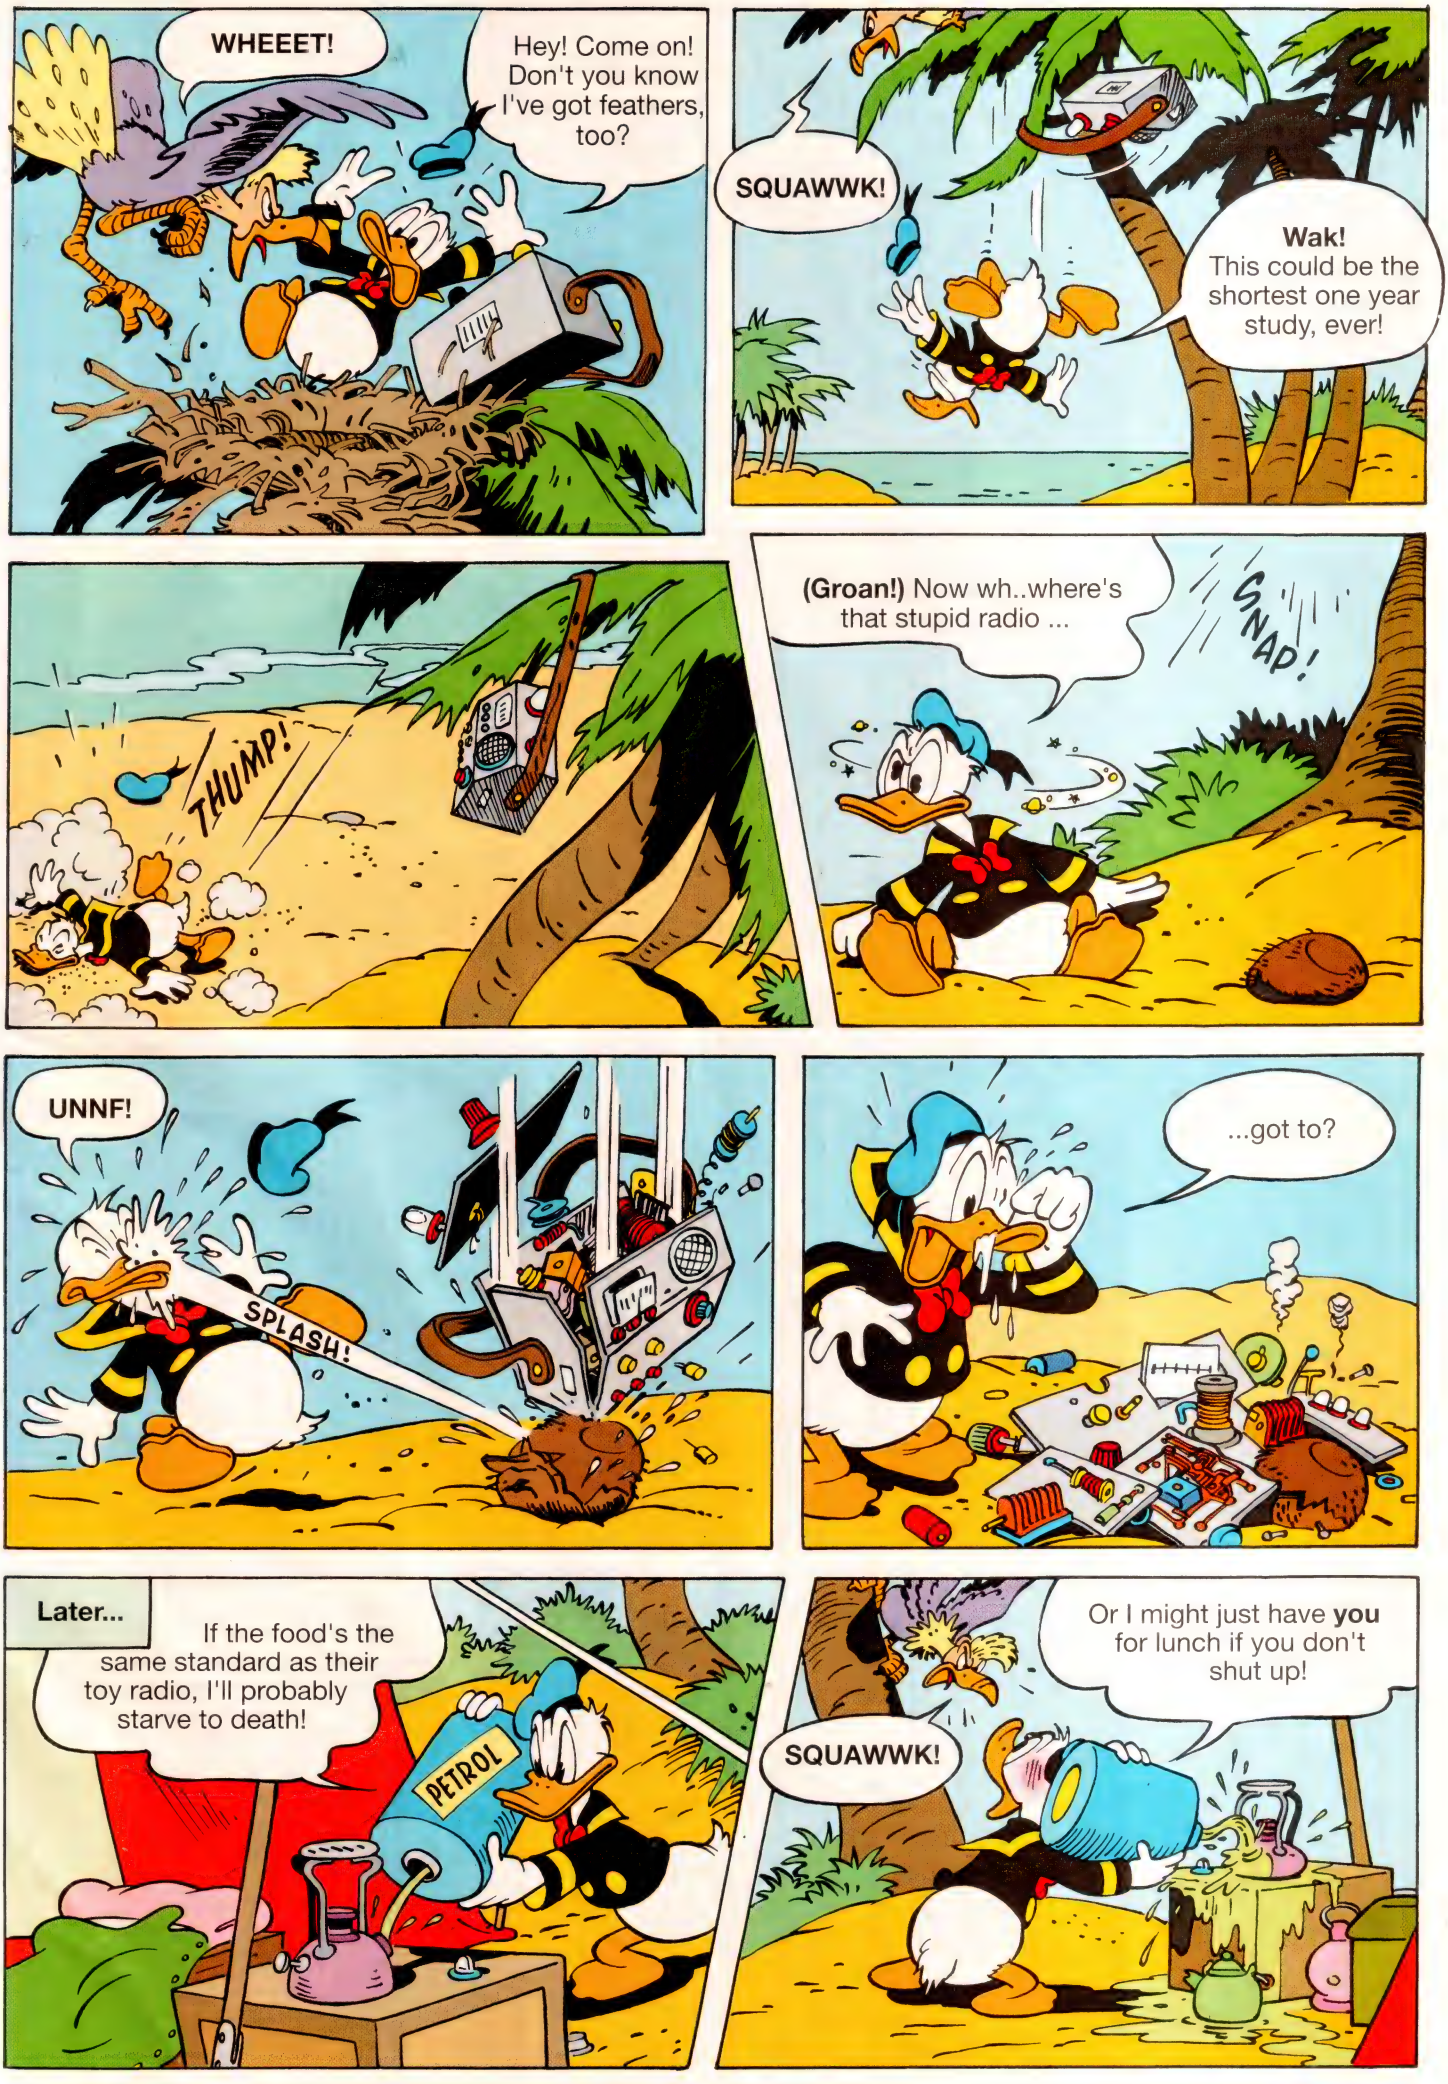


It's just as well this rubbish comes free!
Excuse me sir! Could you spare a moment? I'm from Duckburg Dairies!
We're proud to announce that we can now offer fresh deliveries of bread, fruit juices, vegetables...
I don't want deliveries of this, that and the other! When I want this, that and the other...
...I'll go out and buy **this, that and the other!**
I can tell you've had your morning glass of sour cream and prune juice!
SLAM!
You'd think people would have better things to do first thing in the morning than go around annoying me!
(Fume!) This better be an emergency - or else someone telling me I've won the State Lottery!
BRINNG!
A very good morning to you! We're from the local 'Good Neighbours' Club!
Would you like to come to one of our 'coffee mornings' or 'bridge afternoons'!
No I would not! But I'll come to see one of your **'walking off a cliff evenings'!**
Su..surely you don't mean that? Everyone needs **someone!**
Clear off before I see if my Dobermans need to bite **your posteriors!**
My! I don't know if I want to live in this neighbourhood, now that I know **he** lives here!

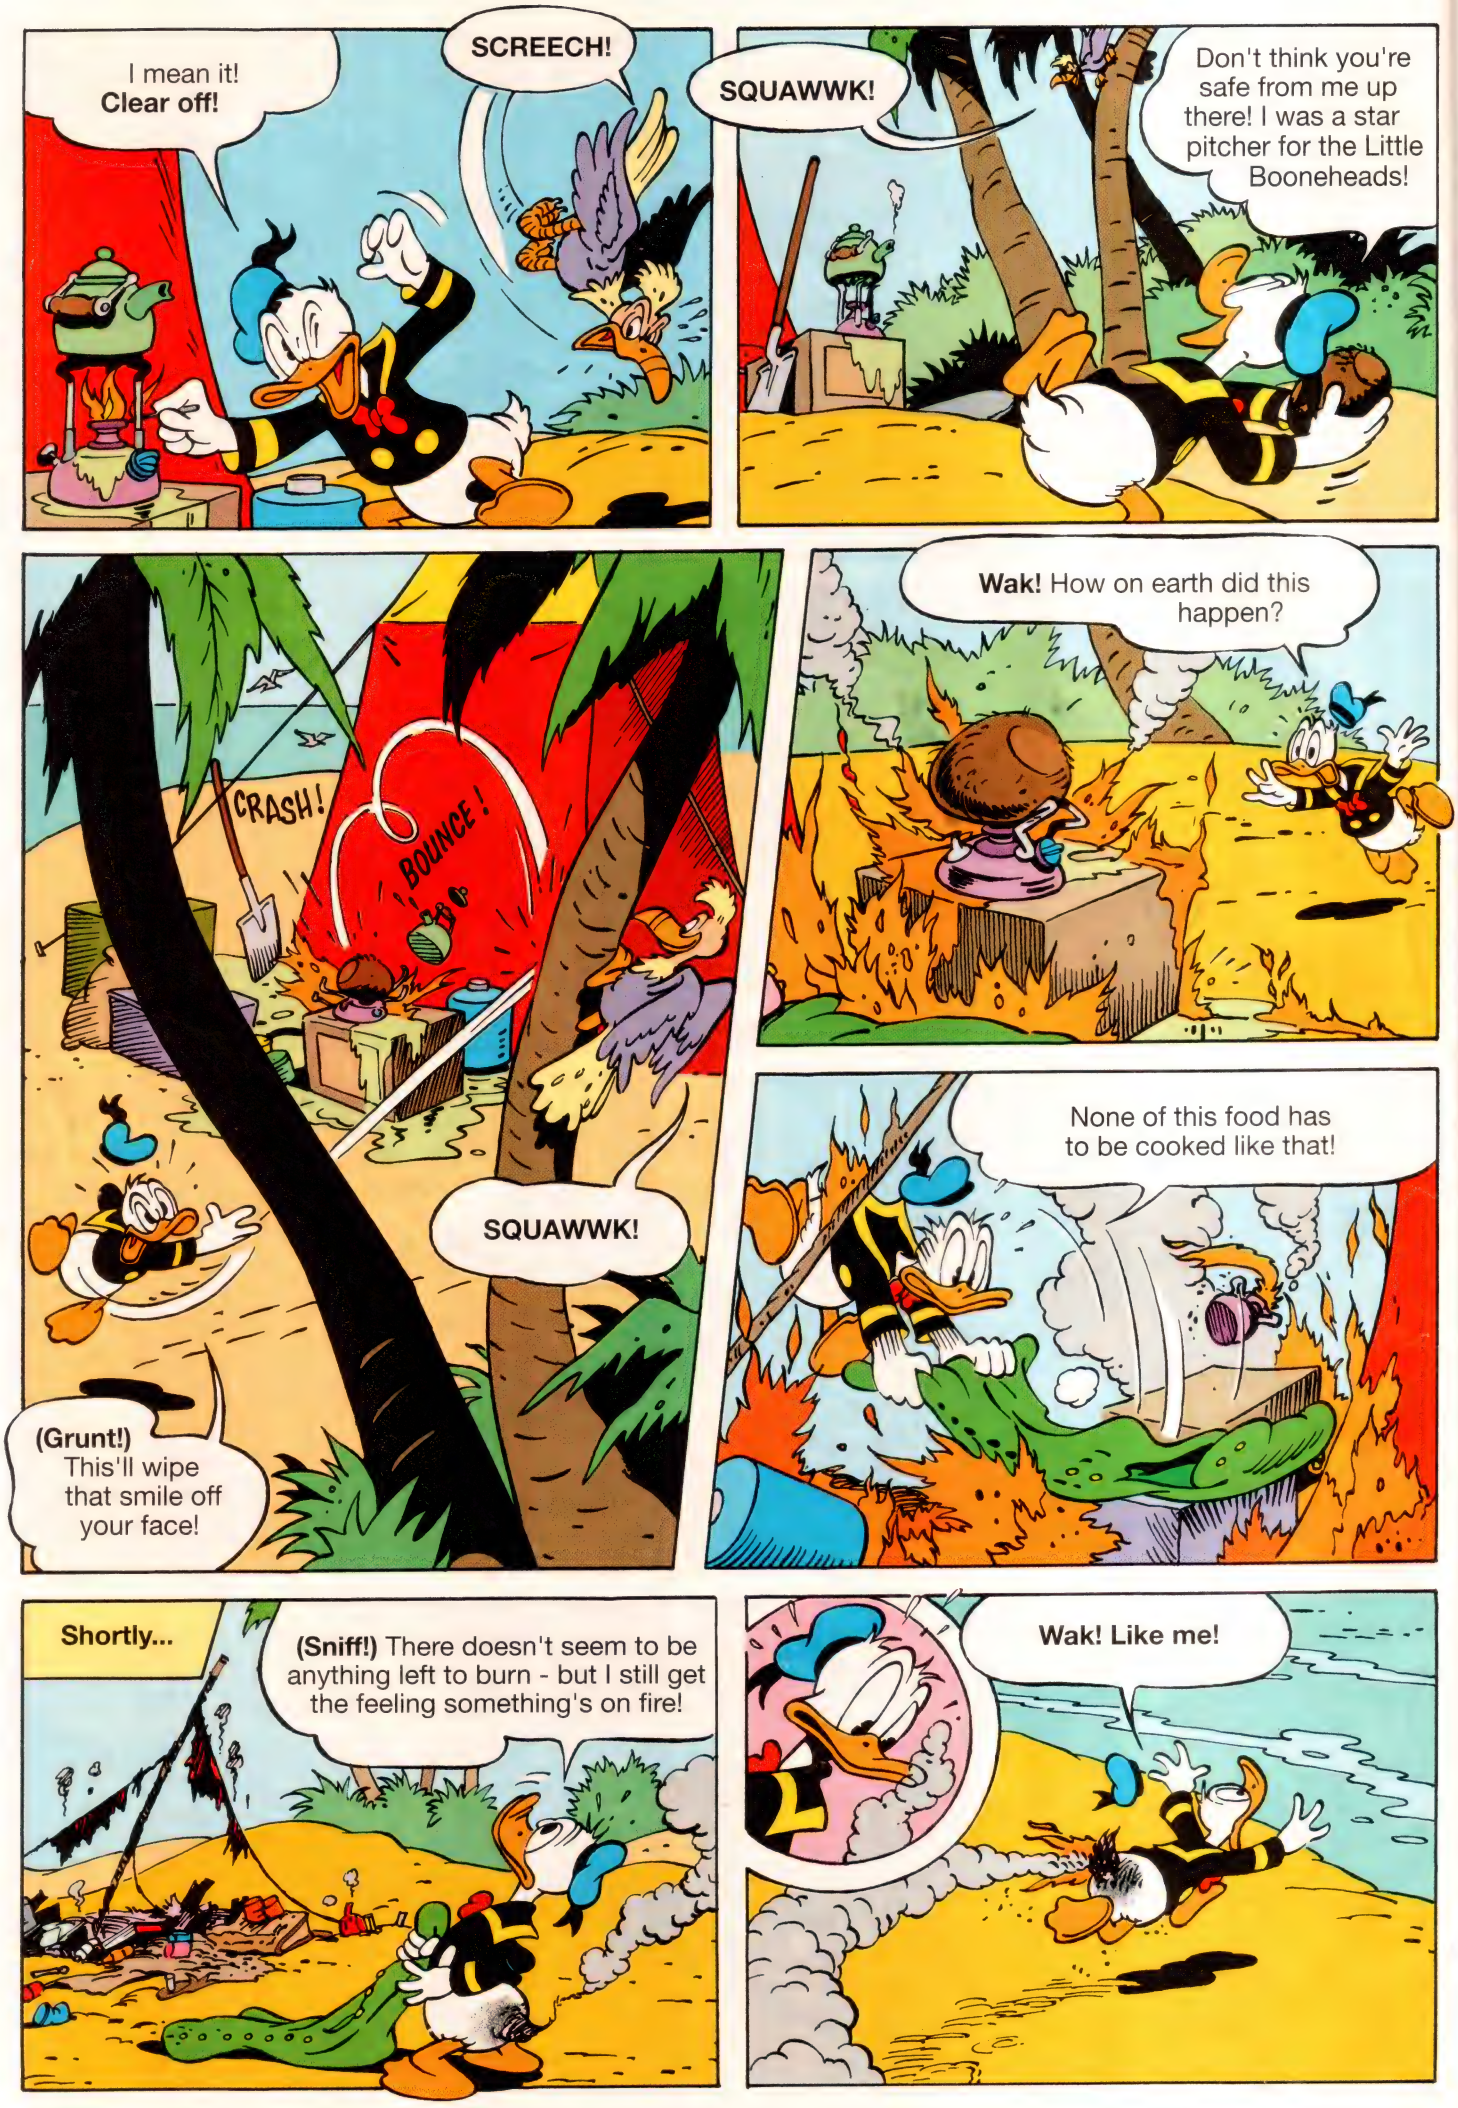


Soon...
I wish I could live somewhere with no mail, no doorbells and no do-gooders!
Somewhere like a desert island, for example!
GASP!
TOUGH GUY REQUIRED TO LIVE ON DESERT ISLAND FOR ONE YEAR. SCIENTISTS WISH TO STUDY THE EFFECTS OF LIVING IN ISOLATION TEL:- 553 3738
That ad's right up my street! The boys can live with Grandma while I'm away! A year on a farm will do them good!
Hello? Stop whatever you're doing! You've just found your perfect guinea pig!
Five days later...
You've been through an intensive series of physical tests, Donald, so we know you're **physically** fit!
But are you **mentally** prepared to spend a whole year on an uninhabited island?
THE ANTHRAX
Just you try and stop me!
Soon...
...one tent, one year's supply of gourmet dehydrated dinners, emergency radio...
Don't worry about me! Have a nice trip back and I'll see you in a year's time!
Eventually...
(Sigh!) At last, just me and..**chortle**..me! I couldn't ask for better company!

The only thing I'll miss will be the newspaper and the sports results!
Wak! United were playing Gooseville today! How will I find out if I'm £50 richer or poorer?!
Where's that radio? This qualifies as an emergency!
Great! I could pick up the results of the Mars versus Venus match on this!
Minutes later...
...WHOOSH...sports results... HSSSS...shortly...ZZPSST
If I'm going to get a better reception I'll have to get up there!
(Grunt!) Good thing I'm such a resourceful individual!
SQUAWWK!
Go on, scram! I need some space up here - or I'll miss the results!

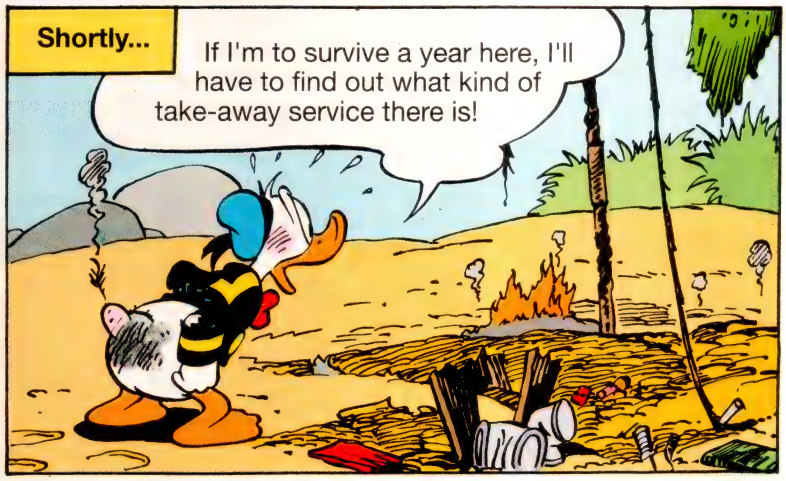


WHEEET!
Hey! Come on! Don't you know I've got feathers, too?
SQUAWWK!
Wak! This could be the shortest one year study, ever!
THUMP!
(Groan!) Now wh..where's that stupid radio ...
SNAP!
UNNF!
SPLASH!
...got to?
Later...
If the food's the same standard as their toy radio, I'll probably starve to death!
PETROL
SQUAWWK!
Or I might just have you for lunch if you don't shut up!

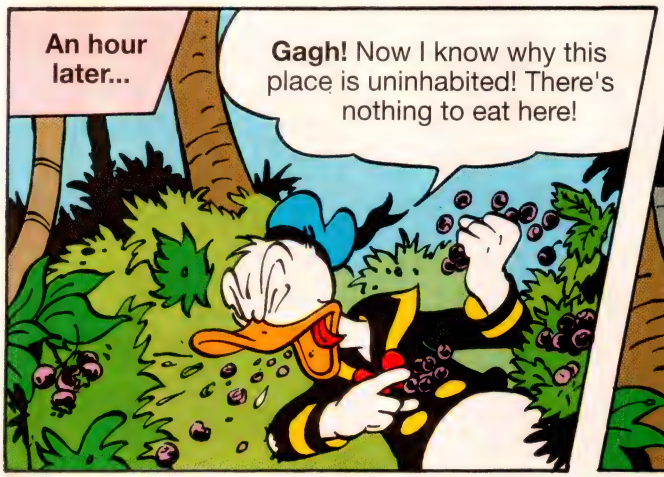


I mean it! Clear off!
SCREECH!
SQUAWWK!
Don't think you're safe from me up there! I was a star pitcher for the Little Booneheads!
CRASH!
BOUNCE!
SQUAWWK!
(Grunt!) This'll wipe that smile off your face!
Wak! How on earth did this happen?
None of this food has to be cooked like that!
Shortly...
(Sniff!) There doesn't seem to be anything left to burn - but I still get the feeling something's on fire!
Wak! Like me!

Omigosh! That was close to being the end of all my problems - for good!
SSSS

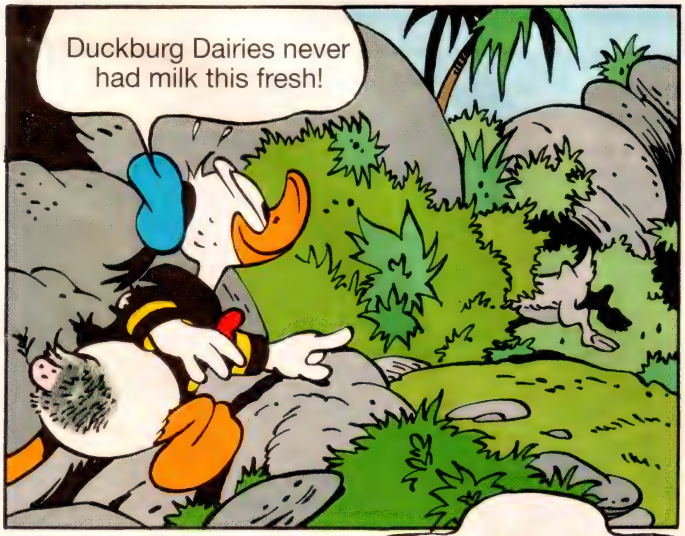


Shortly...
If I'm to survive a year here, I'll have to find out what kind of take-away service there is!



An hour later...
Gagh! Now I know why this place is uninhabited! There's nothing to eat here!

But there must be something to **drink**! Goat's milk would go down a treat right now!



Duckburg Dairies never had milk this fresh!

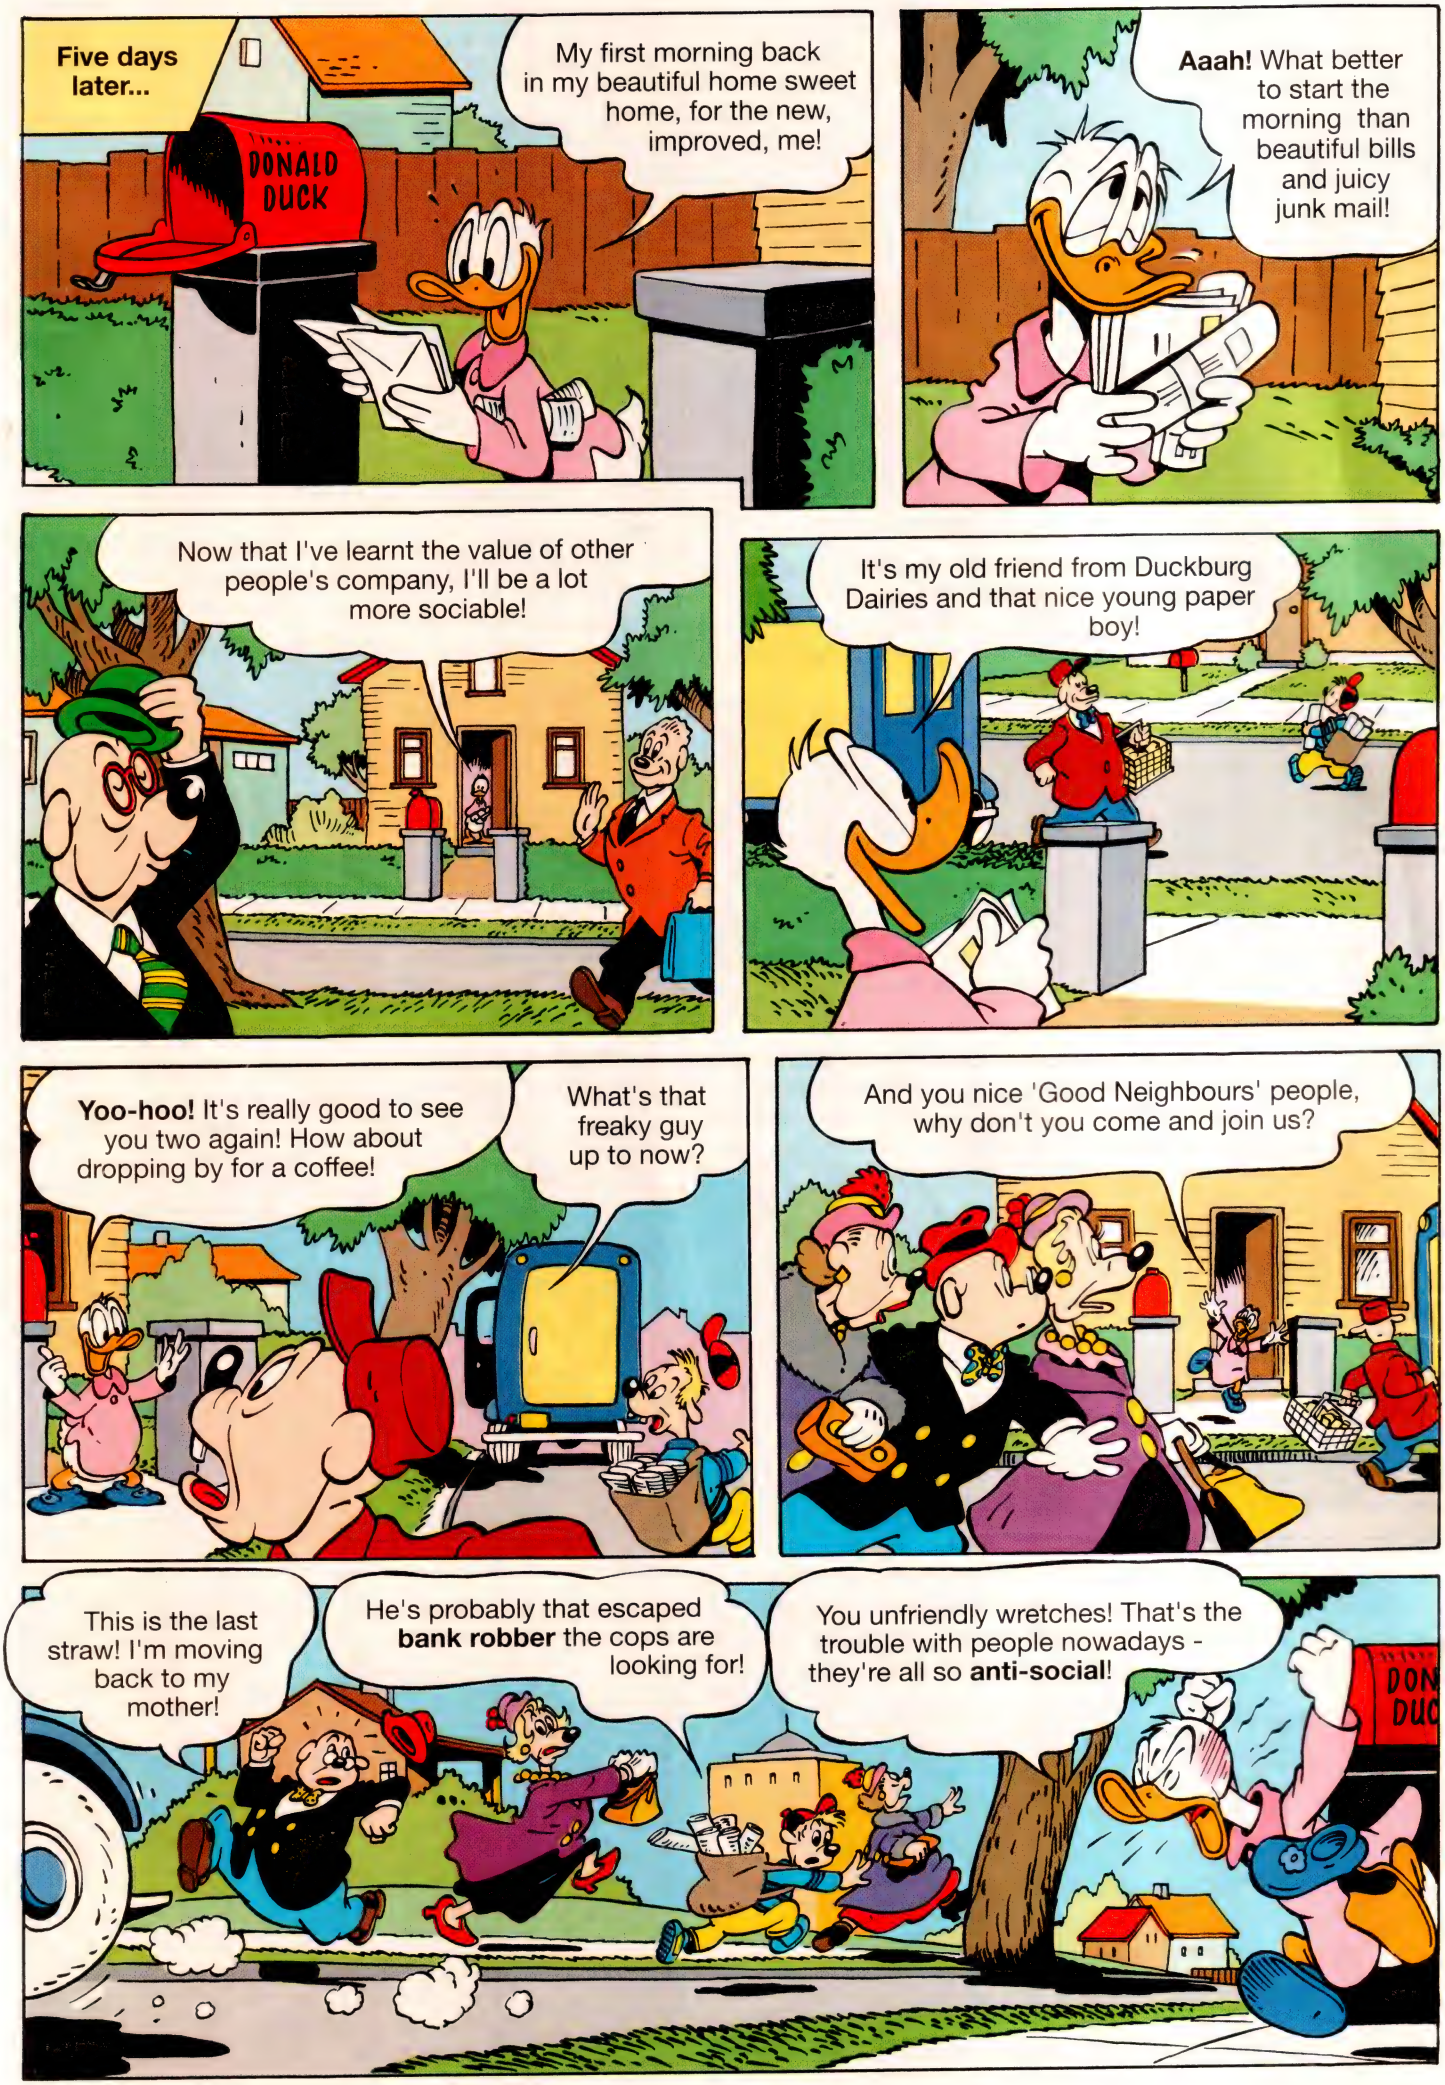
Those scientists will be impressed if I can live off the land! I'll be like Robinson Crusoe!

Wak! This wasn't in the book!
JAB!

I can't wait to see what this island's got for me next!

I never thought I'd say this - but besides being hungry, thirsty and exhausted....I'm lonely!
Hmmm! Smells like someone around here's having a nice cooked dinner!
Yikes! That means there's someone else on the island!
(Gasp!) People **and** food! I don't know which I'm more glad to see!
Who that strange fella? Me thought this island was deserted!
Could it be...?! Him not seen in over 400 years!
...food... people...haven't eaten in ages...
(Shriek!) It's him - the mad cannibal duck of ancient legend! To the boats, before him devour us!
(Sob!)There's no need to be so anti-social, I wouldn't have eaten that much!
Me no sacrifice even one of my people to you, scrawny monster!

That evening...
Brr! One day down, only 364 to go!
I may as well hit the sack! If I'm lucky, I might dream of Duckburg, people and food!
Minutes later...
I'm sure these are his tracks but what's he doing out here?
Seems like he's holed up in that cave! Maybe now we can find out what happened at the camp!
Donald, are you in there? We forgot to take your blood pressure when we were doing the tests!
Just give us five minutes and we'll leave you alone again!
Is it you? Please tell me I'm not dreaming!
(Gasp!) You took the words right out of my mouth!
(Sob!) It's so good to meet some friends after all this time alone!
We only left him a few hours ago and already he's reverted to being a complete savage!
I don't know why they wouldn't let me join their feast! I just wanted the sports results!
Five years we've been researching this field - and this clown ruins it all in one afternoon!
500 applicants and we had to pick him!
(Sob!) I should have listened to my mum and become a cartoonist!



Five days later...
DONALD DUCK
My first morning back in my beautiful home sweet home, for the new, improved, me!
Aaah! What better to start the morning than beautiful bills and juicy junk mail!
Now that I've learnt the value of other people's company, I'll be a lot more sociable!
It's my old friend from Duckburg Dairies and that nice young paper boy!
Yoo-hoo! It's really good to see you two again! How about dropping by for a coffee!
What's that freaky guy up to now?
And you nice 'Good Neighbours' people, why don't you come and join us?
This is the last straw! I'm moving back to my mother!
He's probably that escaped bank robber the cops are looking for!
You unfriendly wretches! That's the trouble with people nowadays - they're all so anti-social!

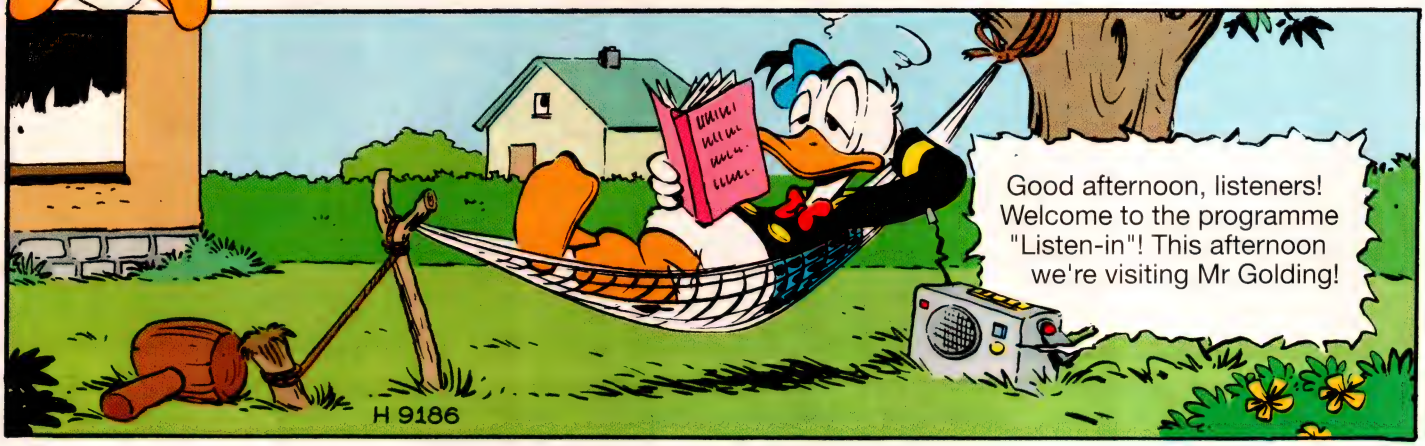
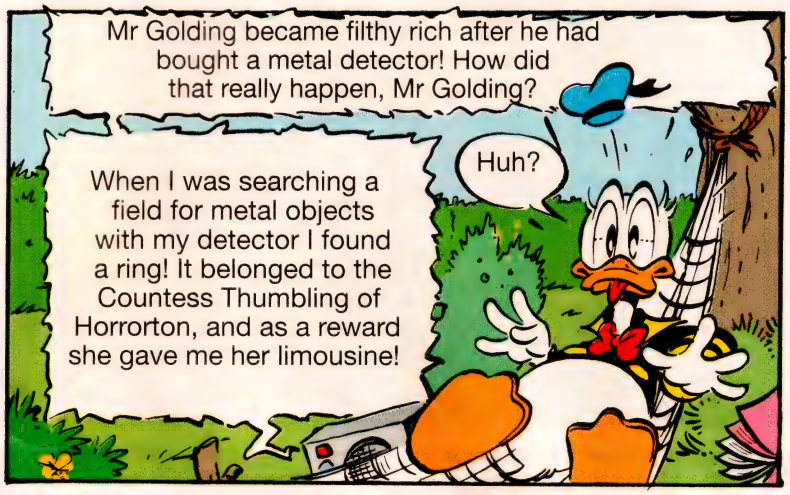
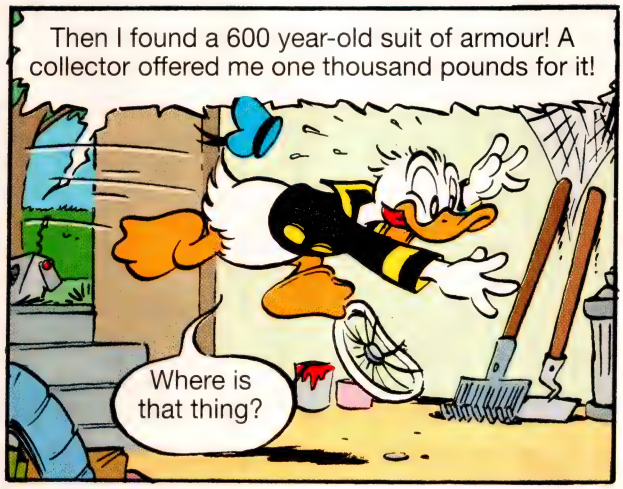
Detecting Detectors

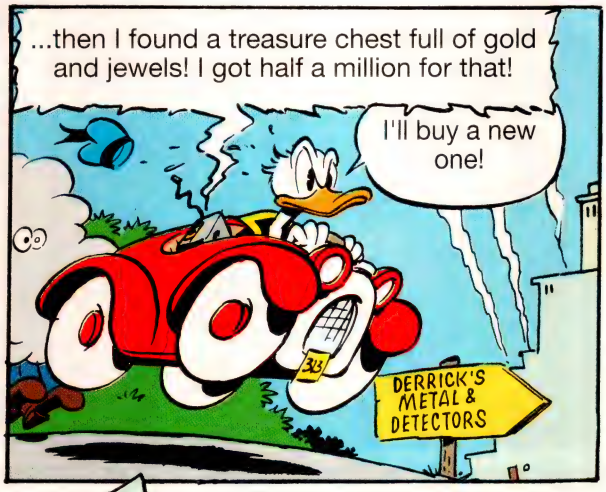




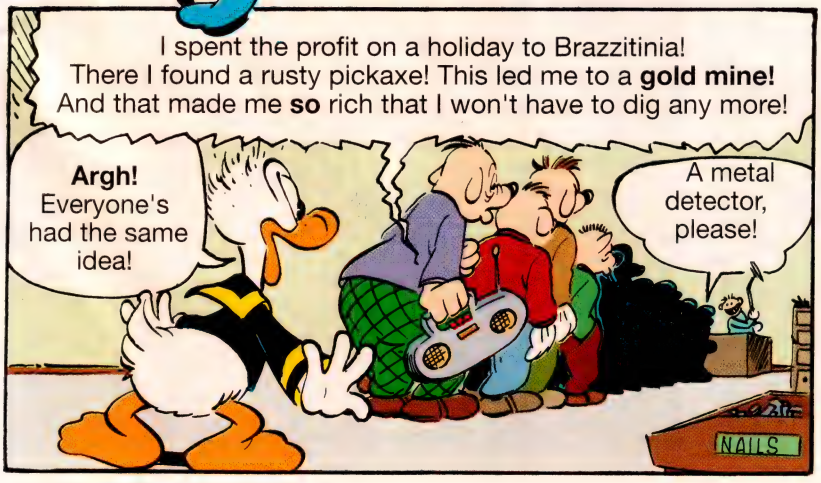
Mr Golding became filthy rich after he had bought a metal detector! How did that really happen, Mr Golding?
Huh?
When I was searching a field for metal objects with my detector I found a ring! It belonged to the Countess Thumbling of Horrorton, and as a reward she gave me her limousine!



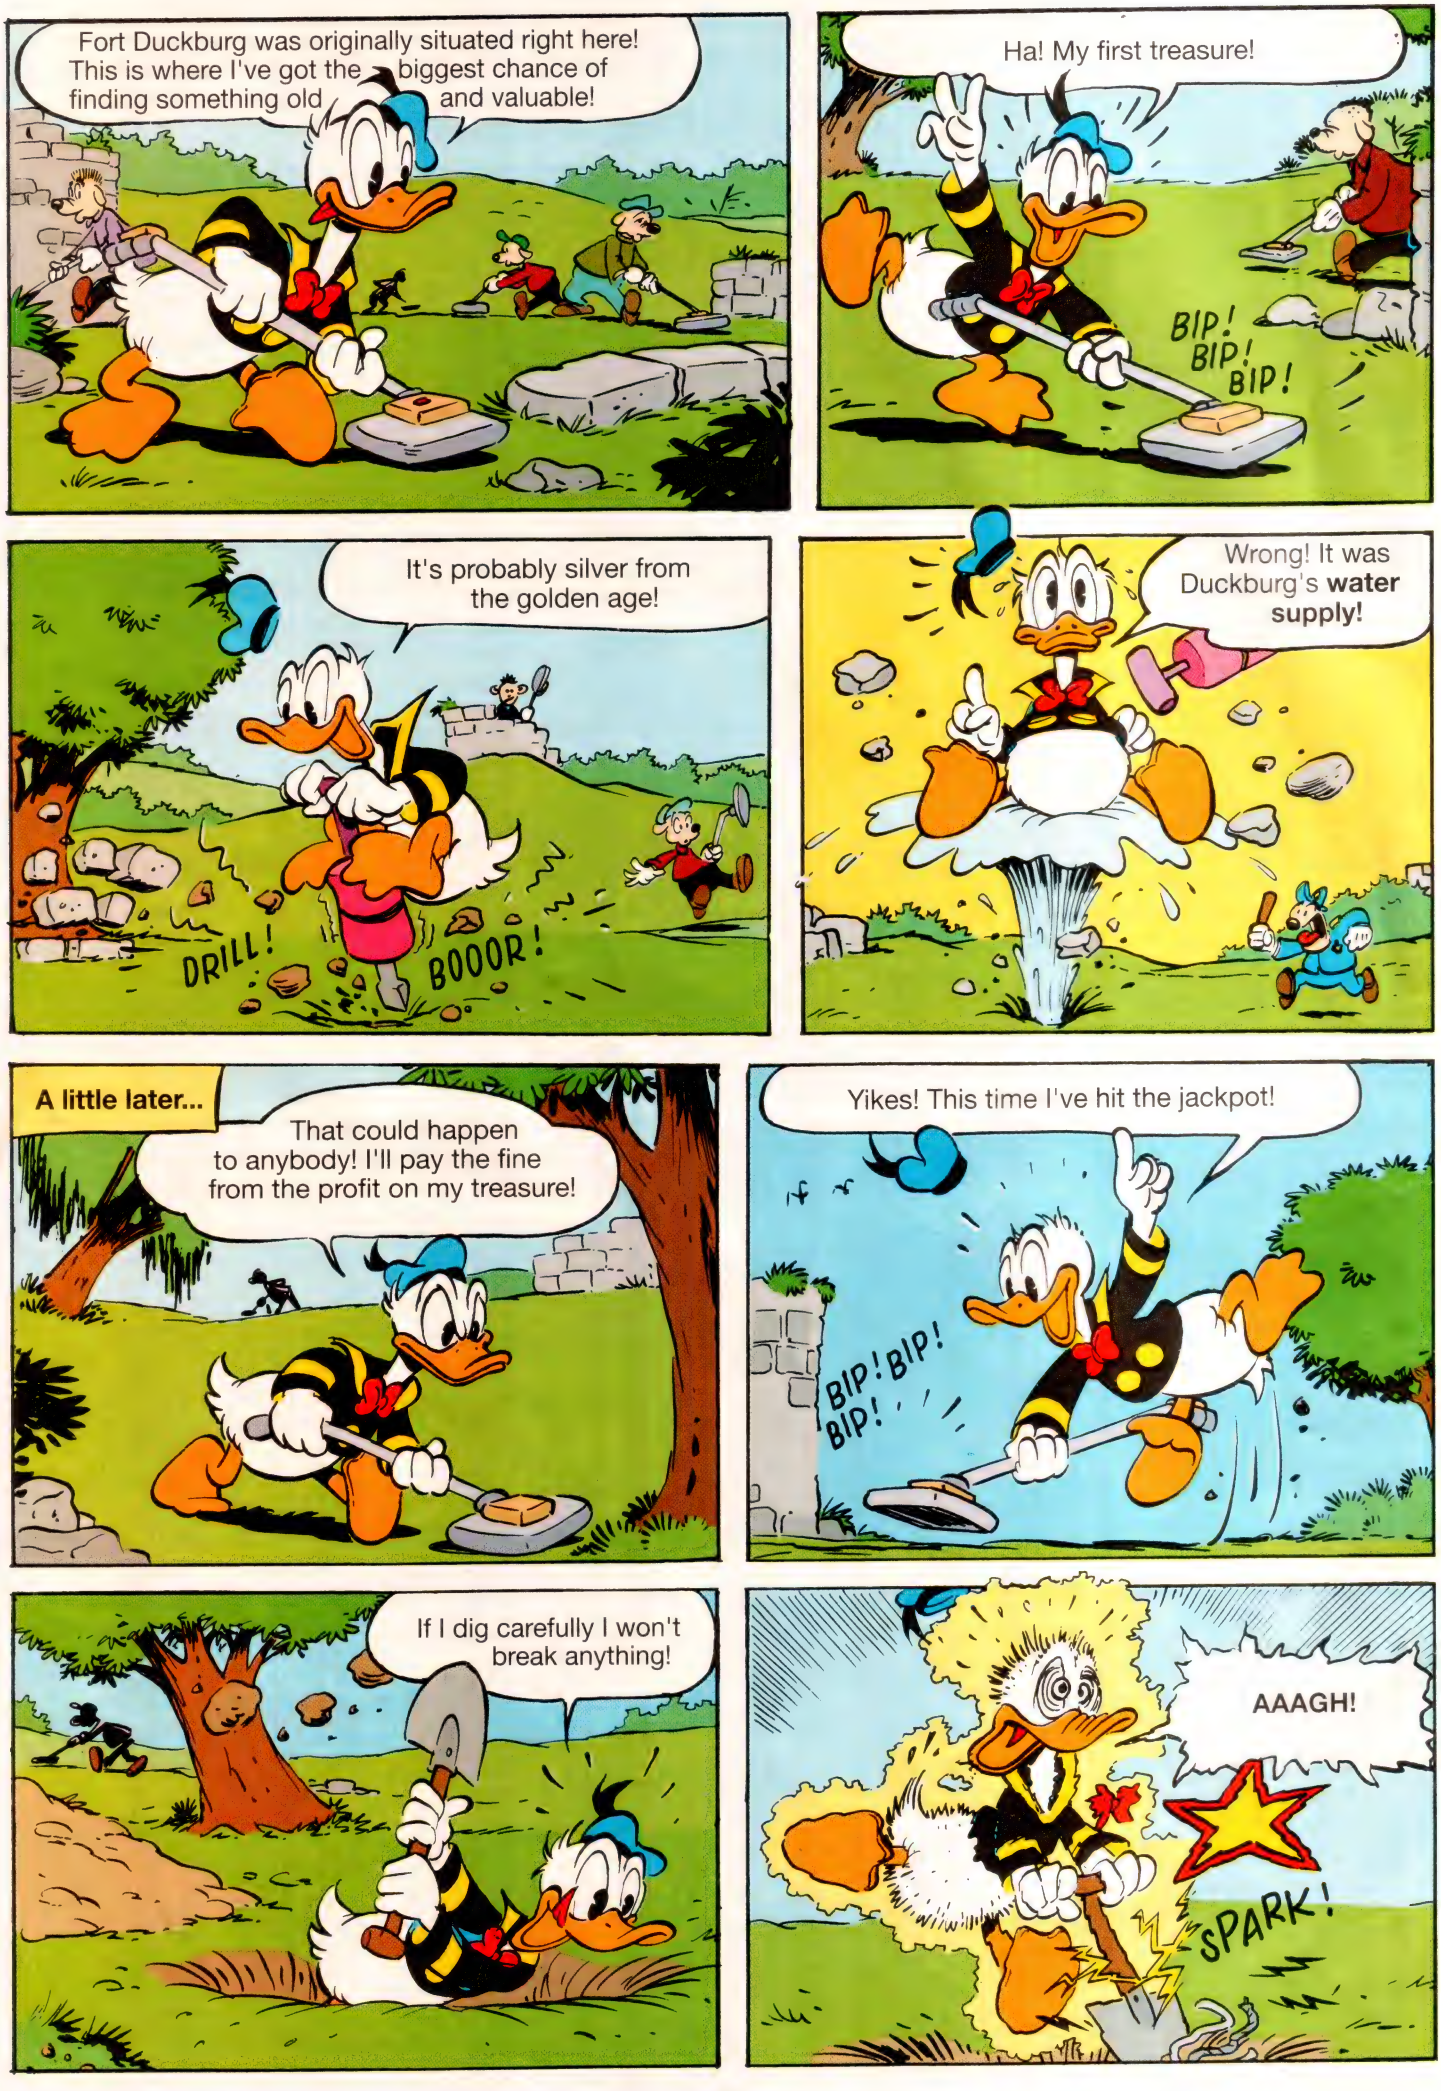
I kept searching at the same place and found a sword covered with rubies! It was worth **ten thousand** pounds!
I'm sure I had a metal detector once!
OLD JUNK



...then I found a treasure chest full of gold and jewels! I got half a million for that!
I'll buy a new one!
DERRICK'S METAL & DETECTORS



I spent the profit on a holiday to Brazzitinia! There I found a rusty pickaxe! This led me to a **gold mine!** And that made me **so** rich that I won't have to dig any more!
Argh! Everyone's had the same idea!
A metal detector, please!
NAILS



Fort Duckburg was originally situated right here! This is where I've got the biggest chance of finding something old and valuable!
Ha! My first treasure!
BIP! BIP! BIP!
It's probably silver from the golden age!
DRILL!
BOOOR!
Wrong! It was Duckburg's **water supply!**
A little later...
That could happen to anybody! I'll pay the fine from the profit on my treasure!
Yikes! This time I've hit the jackpot!
BIP! BIP! BIP!
If I dig carefully I won't break anything!
AAAGH!
SPARK!

Sptk... sptk... must have been an electric cable...
I'll dig in my garden! That must be safer!
313
VROOOM!
Soon...
Yes! Here's something!
A ring?
A sword?
Some armour?
BIP! BIP! BIP!
First I'll check if there's a water main or an electric cable... no!
TOWN PLAN SCALE 1:1000
I can dig here safely now! I wonder what...
But...
My flower bed!
Hey, Duck! What you're doing in your own garden is none of my business, but if you touch my flower bed, I'll sock you one!
I've got more important things on my mind than your weeds, Buster!
He's just jealous, of course!

Gee, it's deep down! It must be **very old!**
BIP! BIP!
I'll dig so carefully that I won't even damage **the sand!**
Looks like Unca Donald's really **down** today!
Ahh, I've found something at last!
But... but...
...it's my old **metal detector!**
The old metal detector I buried **last year...**
...because I didn't need it any more!
What's your Uncle doing?
He's burying two metal detectors... and a **radio!**
